MR. A. J. BERGERON held up the 2nd lynx he trapped near his home house in one week. Mr. Bergeron had been plagued with coyotes stealing his chickens all summer so he set traps and up to snow fall had caught seven by trap and two by hand poisoning from his 22. When the first snow came coyote tracks were scarce but he noticed lynx tracks and reset his traps.

THE HON. N. A. WILLMORE cut a ribbon to officially open newly widened Highway 16 (4th Ave.) through town and to officially get Fall Festival Days underway. Chamber of Commerce President Jim Griffiths and Mayor W. R. Brunsell look on.

THE CHRISTMAS concert was very delightful with the choir solo during their very best. The visit of Santa ended a fine evening. The turkey dinner was served by the children of First Place.

MR. CHARLES FRANKLIN had her children and their families come for Christmas.

MR. DALE LARVELL had her mother, sisters and brother as guests for a family Christmas dinner.

MR. JACK AND MAE LARVELL were guests of the Larvels.

FRANKIE BARNETT spent Christmas at Banter.

MR. AND MRS. KIMMACK had their older son, his wife and daughter from Medicine, B.C., visiting them the past week.

THE LANTIERES and family spent their day in Banter.

The Junior Forest Wardens club will soon be under way with their fund-raising campaign for uniforms. They are selling the "Junior Forest Wardens" in one quarter round here.

Each wrapper carries the official seal of the club, plus the name and address. "Senior Junior Forest Wardens Club, Medicine, Alberta."

The citizens here in the club will be selling in competition with each other and they are hoping the public will be as enthusiastic as they are.

THANK YOU

Production of General Motors cars and trucks has resumed. Daily output will rise speedily and our plants will soon reach maximum capacity. We wish to express our sincere thanks to everyone who has waited so patiently for this good news.

Our appreciation embraces many people across Canada... our customers... our suppliers... and our dealers.

To the customers who have cars or trucks on order and are awaiting delivery, we are particularly grateful for your faith in our products, for your forbearance and for your understanding. Now that our production has started again, rest assured we will fill your orders as quickly as possible.

To our suppliers, we extend our sincere appreciation and offer the encouragement that soon all our operations will be back to their normal level. Already, you are providing the many quality products and services that will enable us to reach peak

production with minimum delay.

We thank our dealers and their employees—the men whose important job it is to sell and service General Motors cars and trucks. We know they will welcome this renewed opportunity to fulfill the transportation needs of every customer.

Those of you who have not yet ordered your new vehicle can now buy your choice, confident that delivery will be made within a reasonable time. Every effort will be put forth by our dealers, our suppliers and ourselves to meet your requirements.

It is our belief that our 1963 cars and trucks are the finest ever produced. This is confirmed by the enthusiastic reports of the thousands of customers already driving them. Try them out soon at your General Motors dealer's.

Again we thank you, and, along with all our employees, we extend warmest seasonal greetings and good wishes for 1963.

The Voice of Edson Community

and WESTERN WEEKLY
Edson, Alberta, Thursday, January 14, 1965 Vol. 12, No. 2

FIRST SECTION

Proposal prompts row housing look by Council

A proposal from Kowbel and Kowpak Construction Ltd. of Edmonton to erect three low cost row housing structures at the first meeting of Edson Council on January 5 was given an airing.

The proposal from the company would involve 21 separate units. The firm asked to purchase 9 lots on 8th Avenue East and an option on lots 12 to 18 in the same block.

Due to the novelty of such housing as far as Edson is concerned Council is to seek opinions from other communities as to the acceptance of similar units where they have been constructed. One suggestion by Council was that consideration be given to limit to four units of this type of housing for each four lots.

Present for the meeting were Mayor W. E. Brundage and Councilors M. E. Collins, A. Goldstick, H. J. Mende, J. Scott and P. W. Wells.

Mayor and Secretary were authorized to make transfer of Lot 14, Block 18, to Frank Leberec on condition of receipt of approval to such transfer by the councilor Ernest Paul Leberec.

Submission of Provincial Planning Board requesting opinion of Council on proposed subdivision of Lot 2, Block 1 was played before Council.

It was agreed Council do not approve the proposed subdivision as it would appear to be contrary to the provisions of the Planning Act as well as contrary to the expressed policy of the Department of Municipal Affairs in so far as the parcel is less than the required minimum size.

Advice of the Provincial Planning Board that Building Bylaw No. 1042 was approved and might now be given final reading was placed before Council.

The bylaw which regulates the erection, construction, alteration and removal of buildings within the Town, was given third reading.

Councillors Collins, Goldstick, Mende, Scott and Wells were appointed to constitute a Court of Revision to hear amendment appeals.

The statutory annual meeting of the council was adjourned.

Recovery slow from gunshot wounds

Many friends of the Osborn family have been wondering how Mrs. Doris Osborn today is progressing. Mrs. Osborn was the victim of a shooting incident last November 10 in Kamloops in which a man was killed and she received bullet wounds in the head and stomach.

Born a patient in the Royal Island Hospital in Kamloops, Mrs. Osborn at present cannot see and there is every possibility that she will be blind the rest of her life.

She is improving very slowly from her injuries and will have to be in hospital for many months for medical and therapeutic treatment. Although her wounds are healing she has a loss of memory and it is hard for her to remember things that happen from hour to hour.

Arrangements are being made to move her to a hospital at the coast, or if possible to somewhere in Alberta where she can receive more specialized treatment.

The preliminary hearing for the gunman, Daniel Lawrence Carlson, has been held, but the results are not known.

THE NEW YEARS BABIES OF 1963 and 1964 live almost next door to each other on 7th Avenue East in Edson. At left above is Leona Linda Bourshe, daughter of Mr. and Mrs. Ray Bourshe and the 1963 first baby. At right one year old Myrna Lynne Taylor, daughter of Mr. and Mrs. Vince Taylor.

ARDA meeting this Thursday

The public is reminded of the important meeting called for this Thursday, January 14 when the much talked about ARDA project for this area will be discussed. The meeting will take place at 7:30 p.m. in the basement of the Provincial building.

This public meeting is called for 7:30 p.m., Thursday, January 14th, and will be held in the basement of the Provincial Building, Main Street, Edson.

The Agricultural Rehabilitation and Development Act was passed to provide a means of developing national, provincial and local programs to meet a need for action. Action to develop natural resources in rural areas, to diversify and develop agricultural and local industry and to help rural people toward greater opportunities and satisfaction.

The general Edson area, in one of the first five in the funding improvement districts, country - was selected in 78, 79, 80, 81 and 82 and the consequence of a report from town and village within three years. Local Chamber of Commerce was selected as one of the units that the senior govern of the pilot projects - it is most undertake a resource study toward guiding the development of this diversified and potentially rich district.

The full scope and potential of the ARDA Program has not yet been delineated or laid out, beyond the rough sketches that may appear in the future. It is our responsibility to see that, in this area, the ARDA program is not only a guarantee but a reality. We will remain a useful hand for other districts to see in the future.

At the present time a study is under way, directed by the Farm Extension, Provincial Department of Agriculture, to determine the economic and social base of the area.

The meeting will be chaired by Jim Griffiths, president of the Chamber of Commerce. Dr. Glen Partridge will be Moderator for the evening.

Speakers will include: Gordon Harting, Coordinator, Provincial ARDA Program; Alberta Department of Agriculture; and Pamphilline of ARDA. Mr. White, Coordinator, continued on Page 18

Car hits parked truck

Some sort of overheard of accident on the street involved in an accident last Friday evening about 8 p.m. on 4th Avenue West. The car does not seem to have been involved when an out of town car collided with the rear end of a station truck which was parked in front of Griffiths Motors.

The driver of the car and his two passengers were taken to hospital. By Monday they had all been released from hospital. Mende, Scott and Wells have received considerable damage.

The car driver is to appear in court on a careless driving charge.

ONE OF EDSON'S EARLIEST CITIZENS, Mr. John T. Reid celebrated his 72 birthday on Monday, January 11. A family dinner was held in the evening at the home of his daughter, Mrs. Andrew McDougall. Despite the fact that his sight is failing and he can't hear as well Mr. Reid enjoys life and spends many hours by the window watching activities outside. One of Edson's first as well as its last citizens, Mr. Reid said he is thankful to have lived here so long. He feels that he has had a very good life.

Sabin Oral Polio Vaccine 1965

The Sabin Oral Polio Vaccine program which was initiated in 1963 and continued in 1964 will again be conducted by your Health Unit in 1965.

Most people will recall the fact that the Sabin Oral Polio Vaccine was first introduced in 1963 and was given to children in the form of a liquid. It is a pleasant tasting liquid and is given to children in the form of a liquid. It is a pleasant tasting liquid and is given to children in the form of a liquid.

Local ski films prove popular with audience

With plans for showing three films on skiing at their movie first Friday evening the residents of the Edson has this were very disappointed when they learned that only one film, "Skiing in the Alps" would be available.

Filed on the evening with local pictures of skiing action in this area for the same reason, the people made the program at least as interesting as the ski films would have been. Comments in favor of the program were many in attendance.

A report was given on the work parties which had been held in the area for the past few weeks. The work parties were held in the area for the past few weeks. The work parties were held in the area for the past few weeks.

Commodores defeat visiting Stony Plain team

After starting the season with two losses, the Edson Commodores, came up with a win last Saturday night. The team turned out to beat Edson Commodores 4-1 at the home of the Commodores at 7:30 p.m.

Edson Midgets

play Jasper this Saturday

To add to the hockey excitement this weekend, the Jasper Midgets will be in Edson for Saturday afternoon at the Edson arena.

In their last meeting at Jasper the Edson team came out victorious on this encounter. The Edson team with coaches Roger Aspinall, G. Ellis and Manager Mickey Harvill met out of the following players: Don Kohler, Robert Smith, T. Erickson, H. Asher, Bill Smith, Alvin, T. Bergman, K. Brown, D. Rutherford, R. Habel, J. Ferguson, R. Gaudin, C. Davidson, T. Campbell, E. Brown, J. Wilson, L. Park, R. Owen, J. Laroche and S. Rasmussen.

mark Louis Hager picked a good cover, taking a punt from Ron McKinnis. Deth at 9:30 Ken Antonenko clipped one home from the blue line (penalized). Dan Fernald scored at the 7:32 mark, also penalized. Wayne Gaudin scored with the period half over with no time to go to home (checkered) and Ken MacVetta and it was Gaudin, again at 17:30 on a nice shot breaking up a pass from Ken MacVetta.

The third period was very intense and when Ken Antonenko scored a goal on a pass from Bill McCoy. At 13:16 and 17:30 visible. That he Gallagher, playing his first game with Jasper Green, scored twice. That was the end of the match.

Both sides picked up a lot of points. Lenny St. Germain and John Lavery were both given matches for fighting. The game which was scheduled for Sunday was canceled because of ice conditions.

The Commodores have a busy weekend ahead of them. They host Stony Plain's Hawks, January 23rd and 24th. There are also two games on the 25th and 26th.

Three games will be played for the last game of the season of the first games. The winter weather may have a long winter making all the goals.

SPECIAL TEA

Mrs. J. Freeman, P.N.G. of Wellesley, Robah Lodge No. 40, is inviting all members of the lodge to her home on Wednesday, January 22, 1964, at 7:30 p.m. for a special tea. Mrs. Freeman and family of 10 will be at home. The tea will be held at the home of Mrs. J. Freeman, 1011 F. Hall, where they have a very large and comfortable home. The tea will be held at the home of Mrs. J. Freeman, 1011 F. Hall, where they have a very large and comfortable home.

The hostess provided a delightful lunch, assisted by Mrs. J. Lally and Mrs. Christine. The tea was a very happy occasion when the sister ladies were able to renew old acquaintances with Mrs. Freeman.

The regular meeting of the Wellesley Robah Lodge No. 40, was held in the L.O.O.P. hall, Thursday, January 22, 1964.

A good attendance, despite the cold weather, revealed the support given our visiting sister lodge. The meeting was most enjoyable and the officers of the lodge were most helpful.

A special thanks goes to our sister lodge, the Wellesley Robah Lodge No. 40, for their very successful year's work. The ladies feel privileged to have had such a successful year.

Row housing not encouraged

Although Edson is bound to experience another population explosion with the construction of the gas scrubbing plant west of town, the gas pipeline construction in southern Alberta and other gas and oil activities in the district, the Town Council at their last meeting could not offer any encouragement to a firm which proposed to build row houses in Edson.

Council felt that this type of housing, (blocks of identical houses with common walls) was not good for a town. Although they did not rule out the possibility of it at some future date.

With this in mind Kowbel and Kowpach Construction Ltd. were to be advised that in view of Council's unfavorable opinion of proposed row housing development, it does not offer any encouragement to the proposal being carried forward at this time.

Mayor W. H. Brantley was to the Edson Health Unit was in the chair with Councilmen M. E. Collins, A. Liddell, W. R. Kowpach, J. H. Hinde, J. Scott and P. W. Wells present. Three citizens were also in attendance.

Mr. Hoffman addressed Council expressing his concern with respect to water drainage problems and his property Lot 5, Block 10, on 4th Avenue, it being confirmed to him that the extension of surface drainage in the area could take care of all spring runoff to adjoining streets, though the surface water on his land might be an drain.

Mr. Hoffman made a motion with respect to several Township Assessment Notices which had been issued with respect to Bylaw 1000, 1001, 1002, 1003, 1004 and 1005.

The payment of the notices by requisition in sum \$1,000.00.

Two Bacteriological Water Reports, indicating satisfactory

conditions, were placed before Council.

A report of the Town Engineer indicated on the W3 1/2 inch Leader offered on rental basis, with option to purchase, by Mr. J. L. Capelina was placed before Council.

It was noted that Council agreed to rent the 1960 W3 1/2 inch Leader from Mr. J. L. Capelina from year to year on a basis of an annual rental fee of \$1,000.00 per year, subject to an agreement that the Town may purchase the said unit for \$1000 after and upon payment of said rental fee in sum \$12,000.00, and subject to any rental fee due to 1960 being first applied against any taxes due or hereinafter due to 1960.

We have stopped the press this night (Wednesday) to record the tragic death of Edson's beloved Norman Willmore. The Honorable Norman Willmore was killed in a car accident this afternoon at 5 p.m.

Word quickly spread through a shocked town tonight and our sincere sympathy goes out to Mrs. Willmore and son Jack in their loss.

He was first elected to represent Edison Constituency over 20 years ago and has been a Minister of the Crown for about ten years.

Your Dollars Stack Up

In Your Favor
When You
Shop At Home

How (and where) do your dollars stack up after you spend them? Dollars spent out-of-town are gone forever as far as you are concerned. Dollars spent in your home town always help to stimulate local trade volume, help to maintain local employment. Most important, many of them help pay tax payments and contributions to support and improve the facilities and services that make this a better place to live. Better schools, streets and parks, playgrounds, police and fire protection will be the happy result of MORE people like yourself doing MORE of their shopping at home.

He's Your Man...

At regular intervals, an A.B.C. circulation auditor visits our office to delve into our records on your behalf.

He's thorough, exacting, complete. He leaves no stone unturned to get the circulation facts.

When he has finished his audit, he tells us what we have. He produces the facts on the quantity and quality of our circulation.

He's your man, actually—he works for you.

The A.B.C. report, based on the auditor's findings, is your guide to more productive advertising. The facts he reports are your protection.

They tell you, in the precise language of an accountant, exactly how big a circulation audience you are buying, where members of that audience live, and some of the reasons why they chose to be a part of that audience.

Edson Weather

Edson weather isn't a lot for the state at the moment and doesn't seem to be on the way. It's a bit on the heavy side, but the many people who are here are sure that "we have

had our end weather for this winter." From the reports that have been in the news, they could only add many other things to the weather.

Since fall this year has been a bit of a disappointment. Temperatures for the past week as reported by the Edson Meteorological station are:

	High	Low
Jan. 30	18	-1
Jan. 31	18	-1
Feb. 1	18	-1
Feb. 2	18	-1

Service marks Churchill's passing

A handful of Edson residents gathered at St. Catherine's Anglican Church last Friday to take part in a memorial service for Sir Winston Churchill.

The service was conducted by Rev. B. Donohue, the pastor of the church. It was a solemn affair with many people in attendance.

The latest Indian fashion was on display in a store in the downtown area. The store was crowded with people looking at the latest in Indian clothing.

THE STARS OF THE PRE-WAR GAME last Sunday were left to right: Don Durkin, Gordon Davidson and Ross Koutenian. Ross Koutenian is congratulating the boys on being chosen, left.

Oldtimers social evening

Edson and district oldtimers are reminded of the social evening planned for this Friday evening by the Oldtimers Association.

The doors of the Elks Hall will open at 8 p.m. for an evening of cards, singing, dancing and entertainment. There will be a social hour for oldtimers.

A student nurse had just finished her engagement to a recently graduated doctor when she was visiting a friend. The friend was a doctor and the student nurse was a nurse.

Golden Jubilee marked at Varsity Guest Weekend

Varsity Guest Weekend at the University of Alberta, this year being held February 18, 19, and 20, will be remembered by all Albertans as a celebration of the 50th Anniversary of the Faculty of Agriculture. Plans are well under way for class reunions and Golden Jubilee celebrations during that weekend which will draw thousands of alumni to the campus from all parts of Canada and abroad.

Since its humble beginnings in 1915 with 18 students and 2 faculty members in its pre and student council of the Faculty of Agriculture has become a staff member, the Faculty of Agriculture has become a staff member, the Faculty of Agriculture has become a staff member.

Dr. C. F. Bentley, Dean of the Faculty, recently stated that "The Faculty of Agriculture has made tremendous progress in the past 50 years. It has grown from a small school to a large university. It has made many contributions to the world of science and agriculture."

The most recent celebration of our graduates has shown that 19% are with the Canada Department of Agriculture and other federal agencies, 17% are employed by the provincial governments, 7% are in business, 17% are in industry, and 17% are in other fields.

JOE AND MALKA autograph their long playing records and programs following the **Edson Overture** group last Saturday night. The program was to have taken place Friday evening in the Edson High School auditorium, but was postponed one day when the blizzard near Edmonton made it impossible for the artists to arrive in time. At right in the picture is president of the Edson Overture group, Miss Frances Cidwell. Many who attended purchased the performers first long playing record which was released recently. This will enable them to enjoy again and again many of the songs heard during the evening.

Fire destroys arena dressing rooms

"We'll likely get the new arena now" was on most people's lips last Saturday noon as they heard that the skating rink was on fire.

The alarm sounded about 12:30 p.m. just as the Edson and Jasper bantam hockey teams were dressing to go on the ice for an inter-town game. The fire started, apparently from a short circuit, almost before their eyes and the boys were able to escape unharmed with duffle bags full of clothing.

It was felt the situation might have been more serious had the boys already been on the ice and attempted to save their equipment from a dressing room where a fire had already got a heady start.

The fire burned fiercely for player remarked that, "Well, a fire until the fire department came anyway." The fire was confined to the dressing and waiting room addition that has been built over the past 10 years. The pre-existing cold trap operators from staying too long, but after the fire flames had been notified there wasn't too much to see except the clouds of many smoke.

Comments were many and varied as the smoke poured about the little hockey rink. The fire was confined to the dressing and waiting room addition that has been built over the past 10 years. KINCYCLES STILL ON

The Kincycles event was held last night, but Kincycles of 11 will be put on one day or another Committee Chairman Ted Smith said was this week.

Decisions as to whether or not temporary repairs can be made to the arena have not yet been made. Further details of what will be done will be announced next week.

The arena contract is an ice rink to keep up the good work you riders better.

Last respects paid Norman Willmore

A stunned district learned of the untimely death last Wednesday afternoon of the Hon. Norman A. Willmore, and waited for more details of the accident that had taken his life.

Long time friends, and many others had talked to him only the night before. At that time he attended a special meeting in Edson concerning the oil industry future of this immediate area where he had made his home for many years. Mr. Willmore had gone back to Edmonton Tuesday night, worked part of the day and was on his way back to Edson and the Coal Branch when the accident occurred.

His death occurred about 4:30 p.m. in a freak accident when bolts on the left rear dual wheels sheared off a heavy eastbound truck, causing it to go out of control.

As the 18,000 pound truck being crushed beneath the wheel of the north side truck, there was a straight stretch of road for several miles west of Edmonton. The impact locked the rear wheels. He was 56 years of age and was a devoted sportsman. The driver of the truck was not injured.

Bedford People's Shelter, suffered from shock as well as minor cuts, and bruises. The truck was owned by Fairbairn and Well Contracting Ltd. of Edmonton.

Shades his wife Dorothy and two sons, Mr. Willmore is survived by three sons, Mrs. Irene Willmore, Mrs. V. J. Willmore and Mrs. V. J. Willmore, all in Edmonton, three brothers, Clarence in Edmonton, Lester and Elmer in Fort land, Oregon.

Mr. Willmore, or Norman, as he was better known, came to Edson when still a youth, after receiving his education in Edmonton. He was born in France, North Dakota and operated a shoe repair shop. He was a member of years in Edson's Blue Store. When the owner died, Norman bought him out and changed the name to Willmore's, adding more clothing to his stock. He was an active sportsman.

Council reviewing early closing by-law

With the coming population explosion in view Council reviewed the Early Closing By-law at their last meeting. Interest has been mounting among some local businesses regarding an extension in store hours to accommodate the influx of people connected with oil and gas development and the tourist business.

Following discussion the secretary was directed to ascertain from the Town solicitor and the Dept. of Municipal Affairs the privilege of the Council dealing with provisions of the Early Closing By-law and Act, in the way of a temporary suspension or a moratorium on enforcement for a limited period of time.

Some business men are opposed to the extension of store hours, while others feel that it would benefit the town as a whole to give new transient residents the extra accommodation of longer shopping hours.

Mayor W. E. Brunelle was in the chair. Council members present included: A. Cullen, J. Golding, W. Karmann, R. D. Brady, J. Scott and P. W. Wells.

The matter of dog control was discussed and the Secretary was instructed to publish a notice pointing to the requirements of the dog control by-law.

The submission of the North at Post Trailer Court requested a piece on a ten foot strip within 25th Avenue and along the north boundary of Block 2, 1/4 461 A.J. for the purpose of providing a sufficient site, width to accommodate trailers, of a length greater than 100 feet.

A TRANSIENT CROWD GATHERED during the noon hour last Saturday as fire sirens and a cloud of billowing smoke proclaimed the fact that the skating rink was on fire. The burning of the frame section housing dressing and waiting rooms made for difficult fire fighting and the volunteer crew were unable to save any of the building front section. The billowing could kept most people from hanging around too long.

THE NOTES OF "LAST POST" by Begler Dick Christie walked out from the top of the Federal Building Monday morning on Monday as Arnold Kottmann lowered the national flag. From left to right are R. S. Gardener, C. Johnson, Begler Christie, E. Langley, Mr. Rasmussen, RCMP Constable D. B. Dugas and Mayor W. R. Brown.

UP WENT CANADA'S NEW FLAG of it in our own Canadian way. At the same time the red and white flag rose over the Provincial Building and one made by the students proudly flew on the high school flag pole.

Calgary Power to loop district line

A second power line into the Edson district has been announced by Wm. Smith, Commercial Supervisor of Calgary Power Ltd.

The new line will come up from the Brazzar then through Lodgepole to the site of the new gas plant West of Town and on down the Coal Branch to service lumber and other industrial activities.

The immediate reason for the line is the construction of the gas plant, but the power company is anticipating greatly increased loads it is required.

The alternate line will also make possible more reliable power for the community west of the Wabamun power plant. The peak load for Edson last December was higher than it had ever been.

Town's annual meeting Monday

The annual meeting of the Town of Edson will be held in the Legion Hall at 8 p.m. Monday evening Feb. 22.

This is the time for the traditional discussion of the town's affairs where the Town will plan its activities during the coming year.

Reports from the Mayor and Council and the administrative staff before the discussion of what happened last year and how to improve the town's affairs for the coming year.

Members and guests are invited to attend.

Kinsmen to push Arena

The regular meeting of the Kinsmen Club of Edson was held in the Legion Hall at 8 p.m. Monday evening Feb. 22.

While this was being done, a vote was taken on the proposal to build a new arena. The vote was 10-0 in favor of the arena.

The arena project would be much more than just a building. It would be a place where the community could come together to enjoy sports and recreation.

The arena project would be a great asset to the town and would provide a place for the community to come together and enjoy the outdoors.

Airstrip topic of C of C meet

The regular monthly dinner meeting of the Edson Chapter of the C of C met at the Edson Chapter of the C of C on Monday evening Feb. 22.

The topic of the meeting was the proposed airstrip. The speaker for the evening was Mr. Rasmussen, who spoke in favor of the airstrip.

The meeting was well attended and the speaker was well received. The meeting ended with a prayer and a song.

Ski school in Edson this weekend

An introductory weekend of ski lessons has been made available Feb. 20 and 21 for Edson and district skiers.

Lessons will be given by the Edson Ski Club. The lessons will be held at the Edson Ski Club. The lessons will be held at the Edson Ski Club.

FEBRUARY, BOY SCOUT MONTH

Guest Editorial by M. M. AMF

February was selected as Boy Scout Month in honor of the founder, the late Lord Baden-Powell. That such a large number participate in the Boy Scout Movement is indicative of the quality of leadership and program presented. This would be a memorable Scout Week if parents would take the time to meet their particular Cub master or Scoutmaster and to congratulate them personally on the good job they are doing.

During the past half century Scouting has endeavored to keep progress with the times and its program is continually under the scrutiny of professional Scouters. Their aim is to draw up a program of activities with careful and attractive boy interests in mind rather than a program to which each boy must conform regardless of individual preference.

Locally, at least 12% of Edson's population is active or associated with Scouting in all its branches. That such a large number participate in the Boy Scout Movement is indicative of the quality of leadership and program presented. This would be a memorable Scout Week if parents would take the time to meet their particular Cub master or Scoutmaster and to congratulate them personally on the good job they are doing.

That the Boy Scout organization has reached such proportions in Edson, is due in no small way to the efforts of one man who during his residence here has, through program and his own personality, found response in the hearts of our younger boys. He kept faith with the Cub, attending regular meetings regardless of distance, road conditions and his own health.

Besides supervising five Cub Packs and being District Commissioner for the Yellowhead District, Jim Oliver has, this year stepped into the role of Scoutmaster of the Edson Troop.

A reverberating Grand Hall to you, Jim (the loudest vocal archaic of the Wolf Cub Pack).

We hereby, nominate you, Edson's Citizen of the Week.

Search for Talent show has 'full house' audience

There was a good reason for the ACT search for talent show last Saturday evening. Although there weren't as many people as were expected, the audience of the talent show was very respectable.

Wager on the Saturday Play was successful (Jeffrey Foster, Norman, who also won a prize, was second in this class).

Elizabeth's talent was the show-stopping act. The Western division was won by Wayne and Lynn Manning with Laura's version of "Straw Hat Song" second.

The Junior division was won by Brenda Smith and her sister, Gloria Davidson, singing "A Little Bit of Heaven." A group of four girls, including a very young girl, won the first prize in the group division. The group of four girls, including a very young girl, won the first prize in the group division.

ed H. Hall and Allen Lee have been buried on the pulp land for the past two days.

George Hall said his brother, Howard, was killed Thursday on the same site.

He said he was to be in the mine the following morning, but was not to work all day.

A group of ship handlers at the pier took a specified corner this morning and during the night, according to the mine's statement.

They refused to take any prisoners or hostages. Just kidding you, they told the miners who are just that.

Saw George Hall and a couple of other men taking the kids out of our mine and recently removing some of the kids.

The '85 Fords are really changed. Everyone who has driven one comes back talking about the silent ride. The '85 Fords are really smooth. The wheels bounce back as well as up to soak up bumps. The '85 Fords are real performers. The new 240 Six is more powerful than any in its class. The 352 V-8 is bushy, but not standard on XL's and the LTD.

Cruise-O-Matic has 3 speeds for easier passing and economy. 4-speed and 3-speed manual transmission is fully synchronized.

The '63 Fords have lots of new comfort. More room. Extra knee room too. New suspension accelerator pedal.

Piano recital this Sunday

Edson music lovers are reminded of the piano recital to be held on Sunday, February 28th in the Edson Club. The recital will take place in the Edson Club Hotel starting at 2:30 p.m.

Mr. Cohen, an accomplished pianist, will give a program of music by Beethoven, Chopin, Liszt, and others. It is sure to be an enjoyable afternoon and one which it is hoped will be repeated in the future.

It is requested that small children be left at home as they would likely tend to become restless.

A silver collection will be taken with the proceeds being used to help organize a local Teachers' Concert Association.

A party instead of practice

Instead of their regular practice of the Saturday morning Church band, the Edson Church band will be in the Church basement.

During the party presentation were made by the church members to the organist, Mr. Mary Roberts and the choir director, Miss F. Chetani.

subject to the obtaining of a B.C.C. approval. The Lion Club is now in the process of obtaining the necessary permits for the construction of the new building. The building will be a two-story structure, approximately 100 feet by 100 feet, and will be used as a community center. The building will be constructed on a site located in the Lions Park, which is a popular area for recreation and sports. The building will be a permanent structure and will be a valuable addition to the community. The building will be constructed in the summer of 1965 and will be ready for use by the fall of 1965.

The respective undertakings for the single family dwellings on the site, upon payment of special land sale price, subject to the applicant's compliance with the provisions of the Act.

Council granted its approval to the placing of an overhead water supply line, subject to the applicant's compliance with the provisions of the Act.

A letter from Mr. D. L. MacLachlan, Town Planning Council member, recommending consideration of Council to prior development of Area "C" and revision of Zoning Bylaw No. 1000.

Mr. MacLachlan also recommended that the Town Planning Council be authorized to enter into negotiations with the applicant for the purchase of the land.

The Town Planning Council is now in the process of reviewing the application and will make a recommendation to the Council at its next meeting.

The Council is also considering the application for the construction of a new building on the site.

As part of the Kinross weekend, trophy skating competitions will take place the following day, Sunday, starting at 1 p.m. Trophies will be awarded for the best junior, intermediate and women's singles and pairs.

This is when the young members of the Edison Figure Skating Club will really be doing their best and should provide a few hours of entertainment.

The Kinsmen, their wives and Mrs. En Herring, with her figure skaters, merit special support in the form of standing room only crowd. See you at the arena Saturday and Sunday.

It is quite likely that Mrs. Lark part of the house was burned to the rescue while snow and total darkness.

MR. GEORGE HEWITT the eldest, and an honorary life time member of the Edison Curling Club was on hand to throw the first rock to officially open the man's open bonspiel last week. Mr. Hewitt carefully watched the rock slide smoothly into the opposite house then stepped back and said to curling club president Dick Fontaine, "The ice is good". And it was too for some really outstanding games throughout thespiel. Mr. Hewitt celebrated his 80th birthday on February 22.

"Education Research — Gateway to Progress" is the theme of Education Week, which was formally opened in Edison on Monday night at a banquet held at the Edison Motor Hotel.

The address of the evening was to have been given by Dr. F. J. Gattercole, Superintendent of the Saksaton Public School Board. Unfortunately Dr. Gattercole was unable to attend. His remarks were read by Dr. J. H. Gattercole, who said that the purpose of Education Week was to call attention to the fact that the public schools are the only place where the child can be taught to think and to act.

Education is the key to the future of the world, and it is the duty of every citizen to support the public schools. The public schools are the only place where the child can be taught to think and to act.

At an extremely tense constitutional convention held in Edmonton last night, some sixty NDP delegates representing all parts of the constituency unanimously elected Peter (Owen) O'Brien as the party's first vicinal by-election. Dr. Peter (Owen) was also nominated, but withdrew his name in favor of Mel Reimer, M.P. for the constituency.

Mel Reimer, who is the provincial leader of the NDP in Alberta, said that the main reasons why there is need for really strong party members are:

— He is a member of the NDP in Alberta.
— He is a member of the NDP in Alberta.

In spite of the cold weather, too warm weather and a fire making it difficult to practice during the past few months, spectators attending the Kimmeyes of This Saturday evening had lots of praise for the members of the First Figure Skating Club and for the Kimmey Club.

It had been planned to hold the show on the outside rink, but the very warm weather turned the rink into a swimming pool. Auxiliary lights were put up in the gymnasium and the "show went on" in the best of traditions.

The ice was very soft and poor for skating, but there were many young stars on during the two hour show. The senior skaters showed the results of long or hours of practice, and a person could not instruct them in the same way as the very endeavoring in their various acts.

A D Jurdine
Supt. of Schools,
Edison School District

Much has been said, written and even legislated with respect to the rights, duties and responsibilities of those members of society who are intimately involved with the activities of the schools—parents, parents and teachers. Legislation, on the other hand, has been given to the issue in education that all mentioned, but unidentified individual persons— the citizen— who, regardless of his status, socially, occupationally, politically or financially, is interested in and is the ultimate consumer of education. What of his rights, he deserves, has a apostrophe.

BY MAYOR W. R. BRUNELI

factor that is playing a major role in practically every phase of our modern way of life.

The tendency of most of us is to look back to the distant and distant past and to exclaim with nostalgia about the good old days. The hard cold facts of living in those days of suspense, tension and the highest standard of living ever known is that today is the only good day. There is the promise that with nation after nation, tomorrow may be even better.

Education has risen in proportion with all of our other national benefits. The roads of Education have certainly spiraled along with all other countries in building a new way of life.

When the final report was handed on this subject one thing emerged very clearly — the concerns of apinaw was overwhelmingly in favour of concrete, active participation in educational affairs by the well-informed citizen. Kopeckey stressed again and again that there is a need to establish a working relationship between educational authorities and the public, and pointed out, in support of their contention, the difficulty experienced in many communities in Canada of finding informed, interested and capable citizens to serve as school trustees. The recommendation of the forum to the general conference was that educational authorities and citizen associations establish definite channels

of which he is a member and a representative but in the community, local or geo-national which is to be accepted by resulting educational changes. It is at this point of acting in an "advisory" capacity that he assumes the full responsibility that the citizen owes to society — that of judging the issues and making realistic, objective decisions.

He may or he may not be the actual recommendor but he is the Canadian (conference on Education) are implemented in the form suggested, the citizens of this country can no longer afford to take a passive role in education. The aims and objectives of education are their responsibility. Education is an

grounded in the high school career, 505 students attended the high school standards in 1990. The 1990-91 total school enrollment for the high school enrollment was 62,400 and was 17% of total enrollment.

The increase in high school attendance has grown steadily throughout the last decade. The percentage of students under 70% of all students who enter grade 1 now register "grade XII." True not all of the students are in the high school. The percentage does indicate however, that a large number of Alberta students are not in the 12 years of schooling.

Statistics are available at the level of the province. The data indicate that Newfoundland, the province with the lowest rate of high school attendance, is the province with the highest rate of high school attendance. The rate of high school attendance in Newfoundland is 100%.

At the beginning of the century Grade VIII was the end of the compulsory school year for most Albertans. By the end of the century Grade XII had become the accepted terminal point of the compulsory schooling of Alberta students.

The history of high school education in Alberta during the last several decades is a tale of two Alberta's. The change the federal government made in the late 1960s was a major problem for the Department of Education has been to develop a program useful and of interest to a larger number of students. The department has sought to provide a broad program without too great sacrifice in quality. This it has done in recognition of the fact that the vast proportion of our high school students enter university.

The most recent additions to the curriculum have been in vocational education. Most commensurate with federal and provincial assistance have programs and facilities for vocational education for a range of occupations. Such courses in electricity, electronics, drafting and mechanics have been developed. In the last few years shop have been added to the curriculum. High school programs have been closely link-

Don't You Agree?

Bill Switzer is by far the best qualified man to deal with the real problems of this constituency. Look at Bill's Service Record while in the R.C.A.F. Look at his Administrative Record as Mayor of Hinton. Look at his Community Record of proven service. Bill Switzer belongs to this Constituency, the Constituency should belong in Bill's capable hands.

Oldtimers to entertain at Lodge

Members of Parkland Lodge will be guests of honor at the 1966 event when members of the Edson District Oldtimers Association and friends, relatives for them.

Local games will fill a part of the evening while singing by members of the oldtimers association and others will, it is hoped, be enjoyed by all concerned.

The Oldtimers Assoc. holds the same type of annual event in the Eds that provides for a fair (which includes a number of the Parkland Lodge residents).

Refrigerator prizes at 'Courts' Last Chance' spiel

With the advent of warm weather, racing activities are in vogue. It is anticipated that the courts will be filled with spectators at the March 25 deadline. Entries are being placed for a weekly draw.

New plans for the White Court, scheduled for March 25 through 28, are being made in order to make it more attractive to spectators.

Four new refrigerators, and at \$250.00 each will be awarded as first prize in the three event, 22 risk, your \$1.00 up to each \$1.00 that each risk will have four chances to come out the way you want.

All risks are guaranteed at least three games. There will be prizes for the other three events.

Entry fee for the longest and longest has been set at \$1.00.

THIRD SECTION, Edmonton, Alberta, Thursday, March 18, 1943 Vol 12, No. 11

THE CALL OF NATURE must be strong indeed to bring a little busy curler out of hiding in below freezing weather. Mrs. Roy Gauthier brought the little brown catpaw into the Leader Office after Mrs. Proulx had found it curled up on the walk about six feet from their house. Put in a jar it ate a bit of plant food and a couple of days later it had plucked off its brown fur coat to make a coon.

TIMMY, TOMMY JOE, LY. GOVERNOR
OPEN EASTER SEAL CAMPAIGN
Vivid memories of days gone by no doubt were vividly recalled by the Hon. Dr. J. Percy Page, Alberta's 11th Governor as he watched Roy Murray Umbach, 1943 Easter Seal Trophy, drop the ball into the basket to officially kick off the Easter Seal Campaign.

Dr. Page brought international sports recognition to Alberta prior to World War II when, as Coach of Edmonton Grads Basketball Team, he led his Grads team to high honors. Organized in 1912, the Grads participated in four consecutive Olympic events: Paris in 1924, Amsterdam in 1928, Los Angeles in 1932 and Berlin in 1936, winning 17 consecutive exhibition games. In 1922 they won and retained the Canadian championship and in 1923 won the Underwood International Trophy against Ontario, holding it for 17 years. On the occasion of their 25th birthday the Underwood Trophy was awarded to the team as a permanent life-time memento.

This is recognition year for the Edmonton Grads, disbanded in October 1940 after 27 years of outstanding coaching by Dr. Percy Page.

Timmy Joe Coffey, Honorary Easter Seal Chairman for the province of Alberta helps "Timmy" score the first basket in the drive to raise \$145,000.00 for crippled and handicapped children in the province, the 1945 objective.

HBOG well still causing problems

Efforts to control the gas leak at the HB Pan Am Fina Pae 10-17 well, about 45 miles north-west of Fajardo, have been unsuccessful to date. Another attempt to kill the well was made Wednesday under the direction of Boots Hanson, a member of the Red Adair organization, who is working in conjunction with the drilling and production crews of Hudson Bay Oil & Gas.

Since "sour" gas began to seep when the well blew in late last Wednesday Hudson Bay Oil & Gas has taken every action necessary to protect the health of employees and the public at large.

Such action has been in co-operation with various government agencies including representatives of the Workmen's Compensation Board, Department of Public Health and the Oil and Gas Conservation Board.

In the interests of public safety officials of the Department of Health are monitoring the surrounding area to insure that there are no harmful quantities of hydrogen sulfide gas present in the

Four election candidates entering home stretch

With voting day in the Edison By-election next Monday all four candidates are coming down the home stretch. Being a by-election there seems to be more interest than usual.

It is any man's election as there is no implication of toppling a government and the prospect of increasing the Liberal opposition of two in the Legislature or giving either the Conservatives or the New Democrats a voice in the House.

All four candidates spoke to a packed Rainbow Hall at Peers on Monday evening. While the bulk of the questions were directed to the Social Credit candidate Art Leonard, due to his party forming the Government of Alberta, the other candidates got their share

Laboral candidate Bill Scott, a former member of the Communist Party, said that the party's support for the union was "a very important part of our program." JON SCOTT

A majority of Albertans
are opposed to the present
government. The history of
by-elections is that the
thinking voter turns to the
opposition candidate with the
best chance of winning . . .

JON SCOTT DOES

Have a Good Chance of Winning

HUNDREDS of ordinary people are fed up with slick
political campaigning

ARROGANT standing on "our record" is turning
others away

SCORES like the idea of being able to talk to
their M.A.

JON SCOTT IS A LOCAL MAN

BILL SWITZER TOPS THE POLLS

The Edson Leader

The Voice of Edson Constituency

and WESTERN WEEKLY

FIRST SECTION Edson, Alberta, Thursday, April 7, 1965 Vol. 12, No. 13

Biggest vote in constituency history

There was general approval as word spread Monday evening that Bill Switzer was forging ahead in the neck-and-neck three-way race for top position in Edson's by-election.

With Bill winning there didn't seem to be too much difference even by other party stalwarts as the locally born and raised Liberal candidate has always had a wide circle of admirers outside of the political arena.

A professionally competent organizational campaign by the New Democratic Party put their candidate, Neil Palmer, in second position, with Social Credit candidate Art Leonard in third and Conservative Jim Scott in fourth position.

UNOFFICIAL STANDINGS WERE:

Bill Switzer	2006
Neil Palmer	1926
Art Leonard	1816
Jim Scott	682

The record vote was 714 over rest of the 4750 voters and voters rather than the usual. Interest in the outcome to fill the seat left vacant by the tragic death of the late Norman Wilmore was much higher than in the past with general elections.

In the last provincial election in June, 1962, 64.8 per cent voted to give the Hon. Norman Wilmore 4750 votes, Bert Thompson, Liberal, 1689 votes, and NRP candidate Jim Thompson, 724 votes. This constituency voters were 9647 with 4750 voting.

Results of the election were eagerly awaited at the voters' party headquarters in the three big towns and as it became known that Bill Switzer was the winner party members cheered on fifty band quarters at Edson in great numbers.

Standing by were:

Wolf attacks district dog

Mr. Ernie Fowler, who has had an advertisement in his classified section of the Leader for the past two weeks in respect to his lost wolf dog, has decided it is pointless to look further or so. The wolf dog was found on Monday, Mr. Fowler was on his way to report the incident to the local Fish & Game Department.

Vandals tear down another Red Ensign

This week some unthinkable incident of this kind in persons have down the Red Ensign, the symbol of Canada's Commonwealth. The Red Ensign flying on the flag staff at the CNR depot was similarly torn down. The Ensign was brought down at the time the flag of our country was the new Ensign flag and the old Ensign flag with the Union Jack in its corner is in the new buildings as the official flag.

Op-teen Club to sponsor Edson's 1965 LB rodeo

The Edson Op-teen Club with sixty member strength voted on Sunday at their regular meeting to sponsor the

Little Britches Rodeo in Edson. This will be the 10th annual rodeo and will be the first of the rodeo in the town since the rodeo was started in 1955. The rodeo will be held on the grounds of the town hall.

The rodeo came into existence through the efforts of a number of boys and girls who were born in the town of Edson. The rodeo will be held on the grounds of the town hall.

ONE OF THE HIGHLIGHTS of the Redoubt Lodge 50th Anniversary celebration last Friday evening, was the presentation of a Life Membership pin to Mrs. Alice Fife of Surrey, B.C. Mrs. Fife was installed the night the Edson Lodge was instituted and has been active in lodge work ever since. Above Mrs. Fife receives the pin from Noble Grand Josie Hyslop.

From a Tourist's Diary

By MRS. SYD HELLESON

London, (Times, London). — On my first day in London, I was amazed by the sight of the city. The streets were crowded with people, and the air was filled with the sound of car horns. I was told that London was a city of contrasts, and I was not disappointed.

At the station, we were met by a man who took us to our hotel. The hotel was a grand old building, and the room was comfortable. I was told that London was a city of contrasts, and I was not disappointed.

ers Fule & Power Ltd. (Camp 2) north of Edson, as well as more from secondary pumps and repressuring oil wells.

Lead Hansen, an oil field geologist and a member of the Red Adair organization, directed the operation that finally killed the well.

After the first few days when the sour well was the main topic of conversation in local oil circles, the news spread in controlling it was quickly about their business.

Study where a shift of wind brought the blow over many did many people remember that Edson was being hit by all over the oil country at the same time with the out of control sour gas well.

Overturn group to meet this Thursday

Members of the overturn group have called a meeting of the Edson Overturn Council for this Thursday evening, April 1st. The meeting will be held in the Edson Junior High School starting at 8:00 p.m.

Reason for the meeting is to bring present members and all interested up to date with what has been accomplished so far in organizing a local organization. A program for men here will likely be held during the first week in May and a second round of meetings will be required before that time.

Anyone interested in participating in this worthwhile organization are urged to attend the meeting on Thursday evening.

Under the direction of Returning Officer Dr. K. F. Robins the official figures for the March 29 by-election

The first unofficial figures given on the morning after election night showed higher totals for each candidate, but apparently the returns from the advance

Official standings are:

Bill Switzer, Liberal	1965
Nell Reimer, NDP	1875
Arthur Leonard, Social Credit	1815
Jon Scott, Conservative	484
Spilled	16
Declined	18

Out of 8951 eligible to vote 6156 persons cast their ballot for a record vote in Edson Constituency and a record percentage of 68.76.

The vote attracted wide attention and the seating of a third Liberal in the 63 member Legislature will be looked upon with interest. No arrangements had been made for Mr. Switzer to take his seat as the session is expected to wind up this week.

**Baseball
meeting
April 25**

We have been corrected on our story of last week regarding the desecrating of Canadian flags on the CNR station and the 1,000 Hall. We had understood it was the Red Ensign sign which had been torn down in both cases.

However, a member of the CNR station staff has informed us that it was the new flag of Canada which had been torn down from the station flag pole. And only about three days after it had been put up.

A meeting has been called by the executive of the North Western Baseball League for Sunday, April 25 in the Commodore Hotel banquet room in Edson. The meeting is set to start underrway at 2 p.m. Coffee and sandwiches will be available for any who wish them.

Plans will be made for the coming ball season and election of officers will be held.

It is hoped there will be a good turnout of not only league members, but any one who is interested in baseball in this area.

JUBILEE JUNIOR OPERETTA THIS WEEK

Students and teachers at Jubilee Junior High School are getting closer to the pro-

He made friends with the Indians and read to them from the Bible. As he wandered through the woods he planted apple seeds and so was called Johnny Appleseed.

Johnny Appleseed was a real person living in the Eastern part of the United States in the late 1700's and early 1800's.

The real Johnny Agnewed later encountered many problems and so has the cast of the opera. Several cast members were ill with swollen glands or mumps recently, but were all on hand this week for final rehearsals.

The opera will be presented to the public this Thursday and Friday, April 2 and 3. Curtain time is 8:30 p.m. sharp. Tickets are available from St. High students and will also be available at the door.

JOHNNY APPLESEED, seated under the apple tree, is visited by an angel. This is one of the scenes from the operetta "Johnny Appleseed" which is being presented this Thursday and Friday in the Jubilee Junior High School auditorium. The performances will be the climax of many weeks of concentrated

work by members of the junior high-school glee club. Directors of the operetta are teachers Mr. Lauterback and Miss Ciccarelli. The performance will start at 8 o'clock sharp on both nights. Johnny Appleseed is played by James Oliver and the angel is Wendy Calvert.

He's Your Man...

At regular intervals, an A.B.C.
circulation auditor visits our office
to deliver into our records on your behalf.

He's thorough, exacting, complete.
He leaves no stone unturned to get the
circulation facts.

When he has finished his audit, he tells us
what we have. He produces the facts
on the quantity and quality of our circulation.

He's your man, actually—he works for you.

The A.B.C. report, based
on the auditor's findings, is
your guide to more
productive advertising.
The facts he reports
are your protection.

They tell you, in the
precise language of a
circulation audience you are buying,
where members of that audience live,
and some of the reasons why they chose to be
a part of that audience.

Ask to see a copy of our latest A.B.C. report.

ABLE MONTH AGO

At the conclusion of March
which has been the month
in Canada, let's review the
month's habits of your family.
For the entire month of March
(Canadian, everywhere, have
been keeping about the same
level of milk as a fluid food
and because of its easy appeal
and taste appeal in dishes to
serve the whole family, it may
be your primary milk and cream
supply for the month.

What's in milk for you?
First and foremost, milk is
a rich source of vitamins and
phosphorus — both of these
nutrients act as building materials
for the body, helping to
form strong bones and teeth.

Protein is another vital nutrient
of milk. And like calcium
and phosphorus, it's a
building material for the body.
Milk is also a source of iron,
which is essential for the growth
and replacement of worn-out
cells.

And what about vitamins in
milk? There is a good supply
of Vitamin A — the vitamin
so important for your
vision in darkness and for
healthy skin. There is also
an excellent supply of Vitamin

Acidity higher than usual in Peace River soils

Possibly 30 per cent of the alfalfa.

Northern Peace River soils are acid enough to affect the production of plants very susceptible to acid soils, particularly

there, they estimate one-third are sufficiently acid to affect the growth of the commonly grown crops of that area and a few are very acid.

Greenhouse investigations have been conducted to study the effect of high acidity on the release of soil elements such as aluminum, or to see if any of the essential trace elements such as manganese or iron may be available at levels that

soil elements cannot be overcome by adding ordinary rates of fertilizers.

Since the use of lime to reduce the acidity of the soil is a relatively expensive in the Peace River area, soil and crop tests have been conducted this summer to find the species and varieties of crops which are least affected by the acid soil conditions. The crops tested included wheat, oats, barley, fax and rapeseed and different species

Since the use of lime to reduce the acidity of the soil is prohibitively expensive in the Peace River area, soil and crop researchers will co-operate this summer to find the species and varieties of crops which are least affected by the acid soil condition. Several varieties of wheat, oats, barley, flax and rapeseed and different species

planted on three soils ranging from moderate to strongly acid. Within a few years they hope to develop a chemical test that will predict when the toxic elements are present in free enough quantities to grow

FIRST SECTION Edson, Alberta, Thursday, April 15, 1965 Vol. 12, No. 18

THREE PRINCIPLES in the opera, Johnny Appleseed, which was produced last weekend by students of the Edson Jr. High School were left to right: Miss Frances Cicalini, general director; Miss Beverly Coleman, accompanist; and Mr. Bill Lauerbach, musical director.

Council looks at general storm sewer requirements

Proposals for a general storm sewer system and its requirements as a preliminary to final roadway and curb and gutter design and construction were reviewed at the regular meeting of Edson Council on Thursday, April 8.

Estimated cost of the project is roughly \$24,000. The town's engineers have been directed to proceed with designs and estimates on the basis of the findings carried forward in a local benefit program.

Present for the meeting were Mayor W. R. Brunette, Councillors E. C. Cullen, A. Goldbach, W. F. Giesman, D. Wende and J. Hunt, and eight citizens.

Council approved the action of Council Service Station 10, to include retail and mobile home parking, and to include bush vehicles, subject to re-evaluation of zoning bylaws. All streets to be within the existing building.

Council granted its approval to the transfer of Realty Purse from Mrs. John Moore to Mrs. John Moore and Mrs. John Moore and Mrs. John Moore.

The transfer of Lot 11, Block 10, to Donald W. Moore and Mrs. John Moore, the transfer having been completed on site as requested, is authorized.

In accord with a request from Pionette, the authority

Beverly Choir to present Good Friday program

Edson residents will again be privileged to hear the outstanding Beverly choir present a program of Easter music on Good Friday evening.

The choir first came to Edson two years ago under the sponsorship of the Christian Reformed Church. The program was very well received. With Edson churches hard hit by the recent drought, the choir is presenting a special music. This will be an opportunity for the public to see and hear the choir.

UN contest finals in Edson on Saturday

Following the semi-finals last Friday evening in Edson, the final contest in the United Nations Programme for the year 1964-65 will be held in Edson on Saturday.

The contest will be held in the Edson High School auditorium. The contest will be held in the Edson High School auditorium.

THE ANSWER TO CANCER
The answer to cancer is not in the laboratory but in the field. The Canadian Cancer Society has been completely successful in its battle to bring cancer to the attention of the general public. It has done this by making it clear that cancer is not a death sentence. It is a disease that can be cured if it is caught early. 2 NEW SEED TREATMENTS
Specifically Developed and
NOW Approved for
Application in your Seed
DRILL BOX

IN TWO SIMPLE STEPS HERE'S HOW THE DRILL BOX SEED TREATMENTS ARE APPLIED

It's a very simple system. You simply spread one of Chipman's DRILL BOX Seed Treatments with the seed you use in your drill box. There's no mixing with soil. You simply spread the seed treatment over the seed. The seed treatment will protect the seed from disease and insects. It will also help the seed to grow better. The seed treatment will protect the seed from disease and insects. It will also help the seed to grow better.

How to relieve BACK ACNE
The back has a lot of sweat glands. It is also a place where the sun's rays can burn the skin. This can lead to back acne. Back acne is a common skin condition. It is caused by a combination of factors. These include sweat, dirt, and bacteria. Back acne can be relieved by keeping the back clean and dry. It can also be relieved by using a good skin cream. The haulers earned their pay

BY PENE ICE
They say old age has a slow but creeping grip and has already arrived when you spend long hours rebuilding the road. But that is not true. It is true that the haulers who have been rebuilding the road for years are now getting old. But they are still working hard. They are still earning their pay. They are still rebuilding the road. They are still earning their pay. They are still rebuilding the road. They are still earning their pay.

The haulers earned their pay

BY PENE ICE
They say old age has a slow but creeping grip and has already arrived when you spend long hours rebuilding the road. But that is not true. It is true that the haulers who have been rebuilding the road for years are now getting old. But they are still working hard. They are still earning their pay. They are still rebuilding the road. They are still earning their pay. They are still rebuilding the road. They are still earning their pay.

Lot of bulls good ones around but

Robert Auctioneer Harold Chapman has been going a round with the man from the Federal Government who is an acknowledged expert on bulls.

In this instance Inspector of Livestock, Traveler from the Dominion Marketing Board was in the area last week looking over the registered bulls on loan in district farm lots.

The plan has been in operation for several years and is continuing to show encouraging results reports Mr. Chapman.

A registered bull is lent to farmers who wish to improve their stock for the next year. Three another bull is lent and the first bull paired with another farmer. In a period of five years this cycle is far over to bring his stock up to almost completely pure bred standard.

There are about 60 bulls on loan from the Federal Department of Agriculture in the area, and from Shire Plains, including the Herefordshire district.

Mr. L. H. Hester has returned from hospital and will find it hard to get around with her broken leg.

Several hundreds of people attended the sports in the park on Thursday and Friday and all said it was delightful. I hope they keep it up and have another year.

Mr. Cleaveland and Mr. Landerbach did a good job and on the road.

Verlin Beyerleberger, Sherman Kaufman and Lloyd Gardner were Edmon and Chalmers visitors on Thursday and Friday.

There will be a game in the hall on April 20th. The Jack pot will be played for.

There will also be a big Western Show held in the hall on April 20th. There will be prizes for the best western outfit and a door prize for early entry only. The show is free.

AROUND TOWN

By Bill Chinn

This week excitement has been rather high because of the letter to the editor last week signed (caption) it has caused a few residents to be more puncturing diggers. Looks like we will have to put them on ice, artificial ice to be.

Miss J. Hester claimed the lunch from the hockey pool was well eaten in handy when away on his last overdrive last day.

—Jerry Dicks and Ed Dicks are being picked the best time from their putters and being put for the tournament at the end of the month. Ed was going to have his own form type mountain when you get them at the top.

—Harry Smith of Atlantic Plains was quoted a kind remark of how nice it was to be the long employees doing the work.

Some of the optimistic members are thinking before.

for being in the last with the hockey experience for the last. All for kids according to the letter in the editorial of the 1st on Motor staff.

The new Pacific 38 service station on the corner of main and 38th Street, is nearly finished. It will have a new shape, with a new appearance for a gas outlet.

The Edson Bakery will be reopening again by the end of the month. It will be featuring a delivision in one direction carrying all types of European manage and special food funds.

—Looking is really easy along in Edson, so all over the country, and the Pacific of the Edson Bowl is now planning another big merchandise display. The claims the price will be sold over \$200.00.

—The good news of the week is that the city's residents in coming along very carefully.

THIRD EDITION Edson, Alberta, Thursday, April 29, 1966 Vol. 52, No. 17

EDSON TALENT WAS IN THE FRONT in the ranks of the ACTS FOR Talent this season. The lovely young ladies above were second place in the Junior Division and same home with a writt and a Johnny Fawcett L.P. each. Holding the trophy that was awarded in the Edson show to Gloria Davidson, daughter of Mr. and Mrs. Ray Davidson. Her partner, Mrs. McCullough, is the daughter of Mr. Basil McCullough. The girls also have trophies coming from the annual Edson of Snowy Plains.

Scholarship awards and loans being increased

A substantial increase in the amount of awards and loans to Alberta students is anticipated this year, following a change in The Student's Award Plan, announced by Education Minister, Hon. E. H. McMillan. The plan provides the Queen Elizabeth Education Scholarship Fund. It is administered by the Student's Assistance Board, which also handles the administration of loans under the Canada Student Loans Plan.

During the fiscal year ending March 31 this year, expenditures under the two plans will total approximately \$2,800,000 compared with \$1,800,000 the previous year.

A total of 11,000 awards and loans were made to students in the 1965-66 fiscal year. The \$400 provincial awards accounted for \$1,000,000 and 1,200 provincial loans totalled \$700,000. Another 4,500 loans, totalling \$2,100,000 were approved through the Canada Student Loans Plan.

Under the new regulations students have been expanded in several ways. Province of Alberta students were previously limited to 300 in each category. The ceiling has now been removed and sufficient funds provided to cover every student in each group with an average of 100 or better. These scholarships are valued at \$1000 each and may be increased by \$1,000 if the student's previous year's average and financial need.

Structure of the grant plan has also been changed to include students with an average of 80 to 89 in each category. These students may also be awarded a loan of up to \$1,000 per year under the Canada Student Loans Plan, either separately or in conjunction with a provincial grant or scholarship.

Increases have also been made for students enrolled in the faculty of graduate studies. Previous to 1965 a grant of \$1,000 was available to students in the faculty of graduate studies. Now an increase of \$1,000 has been made available to students in the faculty of graduate studies. This increase will be in effect for the 1966-67 fiscal year.

The value of the scholarships has been increased from \$1,000 to \$1,100. This increase will be in effect for the 1966-67 fiscal year.

IMPORTANT
IS
"IMPORTANT"
?**

There are two kinds of "important" in the world. One is the kind of "important" that is the most important man in your life. By the same logic, his place in it is equally important to your welfare. All the excitement you need a prescription to get your Sexual Phlegm, all takes the excitement in itself and that is why implied in "Important."

WEST SECTION Edison, Alberta, Thursday, May 12, 1966

Vol. 12, No. 1

JAMES I. THOMAS, last Mon-
day evening, was elected pre-
sident of the Edison Optimal-
ist Club for the 1923-24 term,
commencing July 1st next.

[illegible]

Everyone is glad to see the girls. Besides the new go and the sun and with 'chandise' values meet in general, finally arrive the story three.

The announcement by the Chamber of Commerce of Lethbridge on June 10th that the annual rodeo festival, now located in the Lions Park, has been developed as the next end of town.

Tied in with the opening of the new Lions Park is the planning of a "Lions Carnival Day" on June 30th as well as highlighting the opening this will help bring to the city of \$100,000 dollars for the development of the park.

Just to be sure everyone gets into the spirit of the carnival day, the Chamber of Commerce has arranged for all sorts of fun and games, paper balloons, etc., and the tall of fair.

What better way to spend a day of fun than at the old Lions Park? The Lions Club's money is being put to good use. The faithful players will provide the entertainment with a real show.

This promotion, with what is general Alberta pride in its "Cowboy Capital City," has a good thing going.

The Division Board have discounted the traffic congestion point of view and concluded that it would facilitate getting school buses on one end of town. The board also favors a steady sale of the north-east site for a parking lot.

The submission of the Alberta Emergency Measures Committee's final report to a select "Q" radiological defence survival plan was referred to the chairman of the Welfare and Parks Committee for report and recommendation.

A proclamation, over the signature of the Mayor, proclaiming the week of May 17 to 22 Clean Up Week is to be published.

Jack Murray, teacher, got a Scotia Plan Loan — \$1800 — in 35 minutes

Jack Murray had what he thought was the world's biggest pile of unpaid medical bills. Mr. Murray needed financial help in a hurry.

Jack talked the problem over with his brother and he decided that Jack had to get the advance of a Scotia Plan Loan. Jack dropped in on his money loan at a Scotia Plan office in his school.

He talked his money problem over with one of the helpful Scotia Plan people. Mr. Murray was given about his own money, and how much money he needed. Jack started to see his medical bill problem in a new way.

15 minutes later Jack Murray had all the money he so desperately needed. Of course, this instant customer was not

second Jack Murray — and not all Scotia Plan Loans take 15 minutes — the time varies with the circumstances. But there are more and more people with all kinds of money and job problems in The Scotia Plan. So to have their money problems solved quickly, why don't you?

How much money do you need? We'll suggest that a Scotia Plan Loan is one of the best — and most practical — ways for you to solve your money problem. With a Scotia Plan Loan the cost is low. Your loan is insured against non-payment. You get the other advantages of dealing with the insured Scotia Plan. People. So talk over your money problem — whatever it is — with one of our Scotia Plan people. They're ready and willing to help you.

Take time to think of it — money and power. Every man carries with him the seed of what he can do in his own mind.

MacMillan Bloedel take over Whitecourt pulp leases

Initial construction stages likely to go ahead right away

The Honorable R. C. Manning, Premier of Alberta, announced Tuesday that MacMillan, Bloedel and Powell River Limited has purchased the assets of Alberta Forest Products Corporation Limited, which had been active during the past 6 years working towards the development of a pulp and paper industry in the Whitecourt area.

The Premier said that MBLPR, Canada's largest manufacturer of forest products, would begin engineering and feasibility studies immediately, leading toward development of pulp facilities in the Whitecourt area.

The capacity of the plant will be 750 tons per day to start, increasing to 1,500 tons per day with future expansion.

Noting that Vancouver-based MBLPR had a number of large pulp, sawmill, lumber and wood products plants in British Columbia, the Premier said that this was an arbitrary time, and that the company would in all probability be proceeding steadily with the initial stages of construction.

He said his government encouraged industry interest in Alberta and was prepared to consider any reasonable benefits which would result for the province.

The Premier stated that no agreement had been reached with the company respecting the purchase of the land. They have agreed to proceed up to \$4,000,000 in political control measures.

is Canadian owned and controlled and is one of the world's major producers of newsprint, pulp and lumber. Its products also include plywood, veneer, and other wood products.

Timber stands in the Whitecourt area are largely pine, and spruce and white-pine stands being located on Highway 43 at the confluence of the Red and Athabasca Rivers.

Although MBLPR has purchased the assets of Alberta Forest Products, the Premier said that the company will be their first pulp venture outside of B.C.

He said that MBLPR has been in the pulp and paper business for over 50 years and has a long history of successful operations.

Full card reported on Lions Bingo

Word has been received that the Edson Lions Bingo will be held on Friday, June 4, at the Lions Development Shop.

At this time of writing, no definite date has been made. However, the Lions are expected to hold the bingo on Friday, June 4.

Currently operating lumber operations in the area will be put out of business, the Premier said at his Tuesday press conference.

Although location of a plant was not disclosed by the Premier, he indicated that the plant would be located near Whitecourt.

Standard equipment: a bank loan

It has become almost standard practice today for people to go to their bank to finance the purchase of cars and other family items. You, too, may have found it a good idea to borrow where you save — at your local bank. It is often simpler, because the bank already knows you as a savings customer. And it also may save you money because bank loans are low-cost loans. For borrowing and saving, and for any other bank service you may need, just visit your local chartered bank. It's the one place where you can get all your banking done, under one roof.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Through 2,650 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.

Objects of enjoyment make strange killers

Although the backyard barbecue is usually a happy occasion, it can become a nightmarish scene if the objects of enjoyment make strange killers. Players needed to fill McLeod Valley League

Good Valley Baseball is a moving fast game. A. Glenn said ball diamond. A schedule was set up for the first part of the season.

Wolf Creek has not been able to enter a team in the league due to a shortage of players. Answering a question like to play ball in this small and friendly league, Greg Hazzard said a call he would like to happen in the near future will help all players.

With Wolf Creek a team crytan about forcing a truce the other three teams in the league have drawn up a schedule that lets each team have a Sunday off. Games held on the next three Sundays will be: Milwaukee at Madison on May 20; Racine at Marquette on May 27; Milwaukee at Racine on June 3. A new schedule will be drawn up following this with it hoped, a

Around Town

By BILL OWEN

The Edison Laboratory Department picked up the sick singer rapidly promptly after he threw a rock through the window of Switzer's drug store.

Mr. Ernie LaBarr, partner of World Electric Ltd., Edison City, a company becoming very well known for their heavy duty electric tools, was on duty at the time the rock was thrown. Edison is a fine place to live and is considerably more than a family town. Edison City is a fine place to live and is considerably more than a family town.

or a type of finish applied

Embossed Cottons - Fabrics which have been carded, combed in order to remove all short fibers. The result is more even, compact fabrics with fewer projecting fibers.

Embossed - Pressed - Treating a raised design in a fabric by passing the fabric through hot engraved rollers.

Glossed - A Finishing process by which cotton fabrics can be treated with stearine, paraffin or shellac and then run through a high, smooth polish. The process is used on many types of cloth.

is not durable in washing. When chemicals such as alkalis or acids are used, the resinous material is removed. The resins are baked in a high temperature.

Everglaze — This is a trademark for a fabric which has been treated with a resinous material. The resins are bonded to the fabric. The resins become an actual part of each individual fiber. The resins add a crease resistance and dimensional stability to the fabric.

Evercized — Treatment of fabrics using caustic soda in a low temperature. This makes the fabric stronger, more lustrous, more absorbent and more susceptible to dye.

Rapuma — A high quality fabric made from pima cotton. The fibers are stronger and finer than other cottons.

90 YEARS OLD ON MAY 20 Mr. Farquhar Beaton celebrated the milestone quietly with members of his family. A hardy Scotsman, Mr. Beaton was born on the Isle of Skye. He lived in Penhold and Red Deer before the family moved to Edmonton in 1912. A blacksmith by trade, he continued to work until almost 20 years ago when he was employed on the mammoth river time construction of the Alaska Highway. Mr. Beaton can boast of many descendants having eight children, 34 grandchildren and 25 great grandchildren. One son, Bill, was an aviator in the last war. Other children are sons: Max, Gordon, Frank; daughters, Francis, Christie, Flo, Lola, Georgia and Cecile.

Polymore = This, is a new-fangled word, many people will know not under catalogue. The name itself describes a highly stable man or fellow who is not likely to be stretching when it comes to it. It may be used alone or in lieu of with rotolap.

These are just a few of the words in the "leisure" terms which confront us today. If you are interested in learning more about leslies, here is an excellent booklet available for \$1.00. It is called "A Dictionary of Trivial Words."

A black and white photograph showing a bull and a horse running side-by-side in a race. The bull is on the left, and the horse is on the right. Both animals are in full gallop, with their legs extended. The background is a plain, light-colored surface, possibly a track. The image is framed by a dark border.

Edson welcomes Industrial Development Delegates

FIRST SECTION Edson, Alberta, Thursday, June 2, 1965 Vol. 12, No. 22

QUEEN OF THE LITTLE BRITISH RODEO was Miss Lynn Joy who is seen receiving the trophy and queen ribbon from last year's rodeo queen, Nena Neale. Chamber of Commerce president, Jim Griffiths announced the winner after the candidates

had been posed in by the Scottish Band pipes. In the background are Princess Carol Campbell, Shirley Hamilton and Janet Shirley while Op-teen president Myrl Tanton stands at right.

Accident mars Saturday rodeo

There was only one thing that really spoiled the Little British Rodeo last Saturday. That was the accident that sent little Pam Sherman to hospital with a badly broken leg. Pam is the seven year old daughter of Mr. and Mrs. Jim

Griffiths. Her leg was broken in her horse's accident. The other one was the little Puritane Trophy for Girls Barrel Race, 12 years and under. As Pam is not yet 12, she was not eligible to ride. The trophies were taken to the hospital for her and she promptly showed there to check.

Her leg was on Monday when she would soon amputate. So far she hasn't missed a day this year, but was expected to keep up on horse work during her stay in hospital.

Celebrates 80th birthday

Open House was held at the home of Mr. and Mrs. B. H. (Bill) Patterson, in Brandon, Manitoba, on May 28 on the occasion of Mr. Patterson's 80th birthday. Many of his life well.

Friends in Edson will be happy to know Mr. Patterson is feeling much better, having undergone a major operation followed by pneumonia.

Mrs. Patterson's daughter-in-law, Mrs. D. MacKinnon, celebrated her birthday on the same day.

Mrs. Dale Marshall, Mr. Pat Hume's daughter, spent the day with her father.

No Mt. Robson picnic this year

The Medicine H.C. Chapter of Commerce has decided that this year's Mt. Robson picnic will not be held.

The main reason that the picnic has been cancelled for this year is because construction on the Yellowhead Highway is taking place in the Mt. Robson area of ground.

There is no doubt anymore that the Yellowhead road will be completed on the original purpose of the picnic to bring publicity to the road.

There is no doubt anymore that the Yellowhead road will be completed on the original purpose of the picnic to bring publicity to the road.

Early resident visits Edson

A member of the North West Mounted Police detachment in Edson, many, many years ago. Mr. Tom Seal and his wife stopped for a brief visit one day that week with Bill York. Mr. York had arrived with Mr. Seal in the NWMP in Edson before going with the force away to the west.

Mr. Seal had stayed with the police force and retired in 1902.

CASE OF THAMES

Mr. Hugh Grant had been in an afternoon live on Wednesday, May 26, when a criminal investigation was conducted.

Representatives from more than a score of cities and towns in Alberta are being welcomed to Edson on Thursday for the annual meeting of the Alberta Industrial Development Board.

Arrangements by the area representatives on the Alberta Board, W. R. Mills of Edson, will include a heavy agenda on topics of interest to the expanding communities of this province.

Such items as a panel discussion on "Employment Opportunities for Native People", "The ALIDA Program in Alberta", "Vocational Assistance for New Industry", "Travel Specialization in Travelers", "Pollution Control - Hindrance or Help to Industrial Development", will be topic headings for panel discussions.

Progress reports will be given by Mr. and Mrs. Frank Thompson on the Expo '67, Centennial Project, Capital Development, and the Industrial Development Branch and Deputy Minister J. E. Macdonald.

The meeting will start at 8 a.m. Thursday morning at the Carleton Hotel with opening remarks by Mr. H. Martland and presentation from Mayor H. R. Phillips.

Following the opening remarks, the first of the day's sessions will be the presentation of the delegates to the Board.

Delegates from the following areas have been invited to the meeting: North-West, Peace, and Athabasca.

Local persons interested in hearing the discussions are invited to sit in.

Very cordial wishes for a successful meeting with many friends of long ago being present.

THE PROUDDEST BOY in the rodeo last Saturday was 12 year old Keith Mitchell who won the J. A. Hume Award Cowboy Trophy. Mr. Mary Hume presents the trophy to Keith, who is the son of Mr. and Mrs. Gordon Mitchell of Bickerton. Other trophies in the rodeo are displayed on the table.

Keith was the first contestant out of the gate when the first Little British Rodeo was held four years ago. At that time he was just eight years old.

A man you lean on in a lonely hour

(your funeral director)

What makes it hard to not just the sadness, but the loss of the grief. It is the loss of the loved one, the one who was so close to you, the one who was so much a part of your life.

Your own need then... it's not just the loss of the loved one, but the loss of the person who was so close to you, the one who was so much a part of your life.

This is what your funeral director has been trained by education, experience and compassion to do for you.

His experience and understanding make it easy for you to make the decision you

Spunky little girl bravely faces misfortune

A spunky little Peers girl has had her right hand amputated and her biggest worry is that she will not be able to hold the baby and help look after her brothers and sisters. The little girl is eleven years old Linda de Stoney, whose mother died less than three months ago.

The loss of her hand resulted from an accident on May 29 when her four-year-old brother, Darrell, playing in the garage, turned the key in a tractor. The tractor was in reverse gear and when the motor started lurched back, pinning Linda against the wall.

Her eight-year-old brother Randy hurried to the rescue, but the arm had been freed when the tractor had momentum and Linda hurried to the house to tell her sister.

She was rushed to St. John's hospital, suffering from a bad laceration on her head. It took an arm and wrist to free her arm. Wednesday

Ten Party this Wednesday

A pleasant note this Wednesday, June 9th, will be the garden tea and bazaar which will be held at the home of Mrs. J. G. Galt, 4222 6th Avenue East. The event will be held between 2:30 and 5:00 p.m.

This is an annual affair that is sponsored by the Order of the Eastern Star.

made the ride and holiday atmosphere of last Saturday's Lions Carnival a hard to beat combination.

In Edmonton where her hand young children to be rescued was amputated just above the wrist.

Long time residents of the Peers family, the Stoney family had been living in Edmonton at the time of their mother's death on March 19th. At that time the nine brothers and sisters returned to Peers in line with a married sister Mrs. Alfred (Bertha) Ward. The family have four children of their own, but found room for all when the youngsters did not want to be looked up into several homes.

Linda is one of nine children who range in age from four to 18 years. The Arndt children are two months to one year.

Mr. Arndt is a factory worker and when he can't help get himself established. At present he is working on a road crew at St. John's.

Since the accident and subsequent operation, Mrs. Arndt has been getting on her feet as well as possible. Besides, in an, with little money and a large family of

Mill rate up three for deficit budget

Parting here and there in the various departments for the 1965 budget put Edson Council nonetheless in the position of having to raise the mill rate on property taxes in Edson for the current year.

The formal resolution was put to the Council meeting of June 1st at which time a mill rate of 61 was adopted. This is an increase of three mills over the 58 mill rate obtaining last year.

In spite of the raise it was necessary for the Council to budget for a \$18,172.00 deficit. This is not as serious as it might at first appear, but still plenty serious. Last year Council budgeted for a \$12,150.00 deficit which turned out, when the final figures for 1964 were in, to have been actually \$4,746.94.

Breakdown of the 61 mill rate is as follows:

Debt service	4.51
Municipal services	23.84
School foundation program	22.16
Unapproved school debts	1.92
Hospital Act requisition	3.56
Total mill rate	61.00

Business tax levy 17 mills

Total revenue other than tax to business and property remained as up from \$145,422.00 last year to \$171,422 this year. Taxes from land remained as up from \$118,200.00 to \$121,200.00 for these two items respectively last year.

The budget reflects the problems of a growing town that is trying to make a balance between what is possible from available revenues and what the people who live in the town would like to have.

As we go on, prices there are limits on the rates and the city, then, the Alberta government is thinking of a property tax, rather, than the what has been in effect in 1961 for some years.

If this proves true, perhaps future taxpayers will find enough relief to stay some of the projects that our citizens dream about such as the school "innovations" require new areas.

MORE THAN 80 friends dropped in on the Anglican Rectory on Monday evening, June 7th to extend congratulations to one of Edson's grand old couples

THESE TWIN FAWN boys being held by Fish and Game Supervisor Matt Mancher will spend the rest of their lives in a new province of misadventure. Two fifteen boys found the fawns last Saturday and thinking they had been abandoned by their mother, they took them back to town to the house of Jack McBride. They didn't realize that the fawns' mother had hidden them and would return of feeding them to look after her babies. Mr. McBride phoned Mr. Mancher who took

them to Edson. They will be taken to the Stirling Valley Zoo in Edmonton this week. The fawns were estimated to be three days old when found. Mr. Mancher says that not only is it against the law to butcher young animals like this, but it is actually unlawful. Once a young bird or animal is handled by humans it is very rarely that the mother will ever look after them again and they are doomed either to starvation in the woods or a captive life in a zoo.

Wins Bursary
Mrs. M. H. Klein, wife of Mr. and Mrs. Frank Klein of Edson, has won a four year bursary from the Edson Orioles Baseball Club. This was awarded recently by Mr. A. J. Klein, president of the club. Mrs. Klein is a four year member of the club. She is currently employed with the Canadian Pacific Railway.

HBOG President sees great future for Edson

"It has happened, but oil companies don't like to see it happen to any town," according to President Wayne Glenn of Hinton's Bay (H) and Gas Company who addressed the closing banquet of the Alberta (H) District Board annual meeting in the Edson Motor Hotel last Thursday evening.

When Mr. Glenn was referring to was the fact that all too often new overbuilding follows by a slump. The speaker thought that Edson would not "enjoy" the agency of a boom that passed.

He said that it is logical to gather that exploration will go on for many years. The hunting grounds in the district are rich and "we'll be hunting" he added.

Well known lumber mill burns in fire

"The Devil must have been having a good time," says the fire department as they tried to contain the flames at the well known lumber mill which burned recently from Hinton's Bay and Flood.

A work on the lumber mill, which was owned and operated by the Hinton's Bay and Flood Lumber Co., was in progress when the fire broke out. The fire was caused by a short circuit in the wiring.

THE PROUDEST ANGLER in the Edson District last Friday was 14 year old Pat Callaghan who pulled in this whopper of a fish at Big Eddy. Pat was out with Rev. Jack Purdie and a group of very tough young people and had a real thrilling time when she pulled in the struggling fish. In fact, she said the fish almost pulled her in. It was 22 inches long and weighed 4 1/2 pounds. It was the first fish Pat had ever caught.

How Grade one wave for Edson schools

Edson Elementary school grade one classes are slated to be the biggest yet scored last in the number of first year olds who took the pre-school tests recently.

While normally just the grade ones and twos are put for the three days so that their classroom can be used for the tests, this year grade three students also had to take the tests.

Approximately 300 children attended the three day tests in the A. R. Dicks and Peter Davis schools. Results of them will have been found by the end of the week, but this percentage is usually very small.

ID Board members show interest in Pulp Industry

Over sixty members of the Alberta Industrial Development Board were hosted by North Western Pulp & Paper Ltd. on Friday, June 11th.

The group visited Camp 27 where facilities were viewed, followed by a delicious lunch.

After lunch, Mr. D. I. Cronley, Chief Forester, R. S. V. Hart, Woodlands Manager, and L. K. Sutherland, General Superintendent, addressed the group.

Mr. Cronley explained how the Company harvests the wood from cutting areas so that the volume of the wood taken out is never more than the total annual regrowth in the same area.

He illustrated from maps of this production. He went on to discuss the importance of the pulp industry to the province.

This continued to show the importance of the pulp industry to the province.

The group then visited the pulp mill where they saw the process of making pulp from wood.

ID Board members show interest in Pulp Industry

Over sixty members of the Alberta Industrial Development Board were hosted by North Western Pulp & Paper Ltd. on Friday, June 11th.

The group visited Camp 27 where facilities were viewed, followed by a delicious lunch.

After lunch, Mr. D. I. Cronley, Chief Forester, R. S. V. Hart, Woodlands Manager, and L. K. Sutherland, General Superintendent, addressed the group.

Mr. Cronley explained how the Company harvests the wood from cutting areas so that the volume of the wood taken out is never more than the total annual regrowth in the same area.

He illustrated from maps of this production. He went on to discuss the importance of the pulp industry to the province.

This continued to show the importance of the pulp industry to the province.

The group then visited the pulp mill where they saw the process of making pulp from wood.

The Centennial committee set up at the request of Edison Council under the chairmanship of R. K. Mahon has submitted two projects that they consider suitable to mark Canada's Centennial in Edison.

One proposal is the construction of a building to house a museum, the present craft center and a public room of an estimated cost of \$16,887. The other the development of part of Block J between 2nd Avenue and 4th Avenue on Birch Creek on the west side of Town as a "Confederation Park" at an estimated cost of \$14,375.00.

Council has to make its decision shortly, but the two recommendations were tabled until the July meeting so that Councilors could think over the two projects and get the feeling of as many people as possible.

In accord with request of the Edson Motor Hotel Ltd.,

Accident victims like those as well as victims of industrial home or farm accidents should turn out at 2 p.m. when the Red Cross Blood Donor Clinic comes to town, next Monday June 24.

It doesn't hurt, in fact many people say they feel better.

After literally months of negotiations Edson Tor Council "acceded," as the district et. to the request of Edson School Division board that the proposed Edson High School be built.

CANADIAN NEW LABOUR COUNCIL, Edson, Alberta, continues new growth

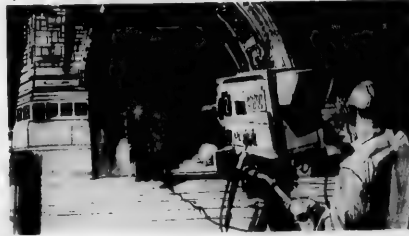

"Our new Canada Labour Council has been called a 'New' Mr. Maclean. Would you agree?"

"Slightly, who does this new Cdn. apply to?"

"Let's get down to specifics. What, exactly, does it promise to those employees who are affected by it?"

"You said the new Cdn. applies to industrial under Federal jurisdiction. Would you mean that?"

If you are not sure whether you are covered by the Canada Labour (Standard) Code, write to the Department of Labour, Ottawa.

Pictures, clippings, etc sought by SA Institute

The Southern Alberta Institute of Technology will be celebrating its 50th Anniversary on September 1968. To help plan and coordinate the various functions which will be taking place during the year, Institute President, J. A. Jorgensen, has appointed a Jubilee Anniversary Council. The council, headed by K. M. Watt, of the Institute's Executive Department, is now seeking pictures, clippings, etc., of the Institute's history from 1918 to 1968.

Mr. Watt and his committee have been gathering suggestions from staff and students as to how the Institute can best celebrate its 50th year. Their suggestions have been reviewed by the Jubilee Council, and they will be presented to Mr. Jorgensen and the Institute's Executive Department for their consideration.

"One of the things we are currently doing is to collect as many old photographs as we can," says Mr. Watt, "and we are also collecting old newspaper clippings, old letters, old documents, etc., which may be of interest to the Institute. If you have any of these items, please contact Mr. Watt at the Institute, and we will be glad to accept them."

Doorway to all your banking

Did you ever stop to consider all the things a chartered bank can do for you? Your local branch is much more than a convenient place to make a deposit, cash a cheque or see about a loan — each branch, large or small, offers a full banking service. And only here is it possible for you to do all your banking under one roof. A branch bank is, in effect, a service centre and everyone on the staff is there to help you, to look after all your banking courteously and speedily.

THE CHARTERED BANKS SERVING YOUR COMMUNITY
Through 5,850 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.

Skin divers Ahoy!

The club's first meeting and first night at the pool Thursday night with a good attendance of last year's float skin divers and a few new recruits.

There will be a weekly meeting and practice session at the pool every Thursday at 8 p.m. All divers are invited to drop around and try this new sport. If you like swimming you will love skin diving.

Students over 18 and who can swim are invited to join the club. Examinations to certify them, and no Japanese are planned for the near future.

If you also desire information, contact Mrs. J. Stewart at the club.

KINSMAN CLUB MEMBERS turned out one night last week to patrol the swimming pool building in their drive to make this facility as attractive as possible this year. The pool work was originally built by the Kinsman, it still their favorite project and they watch over it with doing pride.

Centennial Altercates

Continued from page 1

on Lot 1, Block 25, for 10 years.

Christmas season was played by the Centennial Club and the Centennial Club.

Several requests and matters of business of the street lighting system were referred to the Edson Council for report and recommendation.

The request of Mrs. S. H. Smith with respect to Lot 1, Block 10, and Mr. A. E. Newington with respect to Lot 1, Block 10, was received by the Council.

Mr. L. Stewart addressed the Council with respect to the proposed use of the Arma for the Edson Telephone Building and Exhibition Association.

Continued with the Council's consent at a later date.

It was moved that the matter be amended by striking out the words "and the matter of price of land be presented with the Council at a later date," where they appear in the said resolution.

The Council then agreed to the sale of Lot 1, 2, 18, 19 and 20, Block 25, (first) and Lot 1, 2, 18, 19 and 20, Block 25, in the hospital on its understanding as to the value of the same.

Mr. Stewart addressed the Council with respect to the proposed use of the Arma for the Edson Telephone Building and Exhibition Association.

As the implications of the changes in the electoral map as it affects this constituency began to sink in, various party organizers have been staggered by the difficult, but not completely impossible distances involved.

The former Jasper-Edson has disappeared at its eastern and north eastern extremity to cut out our sitting member Dr. Hugh Horner, who lives in Barrhead, and the Social Credit nominee elected from the same town last week. Liberal nominee Mayor W. R. Brunelle and the NDP candidate Dr. Peter Cohen both of Edson at least still live in the town.

Both the latter are in the position of not knowing many, if any, members of their own party from Banff or Blairmore or Waterton or Turner Valley or South Calgary. Yes Calgary! Calgary which is spreading in all directions like a prairie fire is included in our constituency from 146 Avenue South West.

If there is a holler it will likely come in loudest form from the people of Banff south to the United States boundary. Unless there are a lot more people living in that section of Calgary than we remember from the last time we were there then the population in the north part in which this paper circulates will have the greater voting power. But not necessarily

Surely members from the southern constituencies can give better representation in an east-west federal than could a member, in what must seem to those people in the south of the constituency, as the remote north

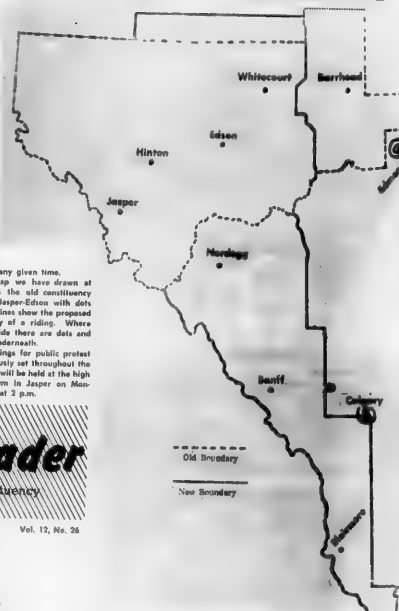

The logic involved in having all the national parks with towns in them represented by one member escapes us. Surely three members of parliament as there are now would be in a better posi-

tion to make themselves heard on behalf of their constituents than would a single member. Unless he were made a member of the cabinet should the winner be a member of the govern-

ment party at any given time.

The scale map we have drawn at the right shows the old constituency boundaries of Jasper-Edison with dots while the solid lines show the proposed new constituency of a riding. Where the lines coincide there are dots and a fainter line underneath.

Official hearings for public protest have been variously set throughout the province. Ours will be held at the high school auditorium in Jasper on Monday, August 12 at 2 p.m.

Big things planned for July 1st Sports

Big things planned for July 1st Sports

Members of the Edison Orioles baseball club are eyeing the sky anxiously these days and hoping the sun will come out but for Wednesday and Thursday at least. With other plans well organized they feel that rainy weather is all that could possibly spoil their July 1st Sports Day.

The Orioles are sponsoring the annual sports event for the first time in the 29 year history of Edison July 1st Sports Days. With July 1st falling in the middle of the week this year only a one day ball tournament is planned. Another change is the fact that there will be no parade to start events off.

Actually there will be one ball game on Wednesday afternoon. At 5 o'clock the Edison and Niton Pony League teams will play. A Pony League final game will also start activities at 8:00 a.m. on July 1st. From then on there will be baseball and fastball action going on until about 8 o'clock at night.

Rosshall will occupy the 6,000 ft. will be presented most of the time with senior with the Commodore Hotel tournament games starting at 7, 4 p.m. as well as a cheque 10 a.m. The winner of the for \$250. Second place team

Welcome indeed, we never felt so much at home. You've made Labatt's welcome in Alberta. You say it every time you say "Labatt's". And you've said it so often that our brand new brewery is as busy as can be. You said "welcome". We'd like to say "thanks". We've found a lot to like about Alberta—and you've obviously found a lot to like about Labatt's.

On the evening of May 15, 1968 on the occasion of the 10th anniversary of the assassination, a reading of the poem "The Raven" by Mr. M. J. Deane, R.N., was made by Mrs. M. J. Deane, a member of the Board on persons to attend the N.A.S.N. conference and the 10th anniversary of the assassination conference.

Mr. McNeil presented the following report for the year April 1st, 1968 to March 31st, 1968: The audit of the accounts of the Section of the Federal Health Department and the Federal Bureau of Investigation was completed and drawn up. The reports were submitted to the Health Department and the Department of Justice.

Elks story recalls joke on Lodge brothers

Bill Shuman, after reading the articles concerning the PMA organization's activities, thought that the folks at the history concerning the PMA might be interesting to editors and women also.

Apparently about 23 years ago when Bill was a conductor on the railroad, it happened that he was in the railroad of PMA were being shipped from Jasper Park to the Queen Charlotte Islands, where they were to be released.

Bill's had collectors. At three o'clock on a morning, he was told a PMA had been found and captured by the victim PMA members.

When the pika had been recovered and he train was in motion, he saw a few of the men and women who had been told that a good job could also be used again. They sent a telegram to the PMA's Lodge in the PMA's information.

His brother, however, was not a member of PMA were coming.

Jasper area being 'shot' by National film Board

Those were termed 'skyward' last week as a little French-made 'Aubertin' helicopter (circled over Jasper and its surroundings) was used to film the area. The film, still in the making, will be on 'short long Pan' and 'wide screen' and can be sent straight with background

the cockpit wade, and the door strapped to his seat and to his harness with the world's first inflatable life preserver. Eugene Boyko, CSM, crew captain for the National Film Board's *Jeepers*, is the only Canadian to have been filmed in a full-length motion picture to be made from a helicopter inflight anywhere in the world. The film, which will be finished in November

The filming around *Jeepers* has been halted on several occasions because of bad weather. "It's not always what you need," says Boyko, said, "but because the film is in color, it's not safe to fly in when it's snowing. The area is

July first sees big day in bright sun

The Edson Orioles Baseball Club went all out to sponsor a good day of ball on the first of July that was well attended and the weather was cooperative as well.

The Mackay Braves took top honors of \$250 and the Commodore Hotel Trophy with the best player award going to Bill Proulx of the Braves.

Clay Dink of the Jasper Panthers thrilled the fans with two homers and a grand slam, while Reg Gierke of the Mackay Braves also knocked two homers in the final game against Edson.

The Edson Orioles returned and went after home to the Mackay Braves.

In the World's Fairball, the Edson Orioles took home the Edson Junior Trophy to defeat the Wabasso Transmut Lathallies.

The Edson Indians defeated the Hinton Indians to capture the Gus Brierley Plumbing & Heating Trophy.

The games in the hardball for the day are as follows: Hinton vs. Haddock 5, Jasper 11, Edson 4, Edson 7, Hinton 2, Mackay 10, Jasper 2, Mackay 8, Edson 6.

One notable feature about this year's July 1st was a record day in a very off-peak season. Comments on the players themselves doing as well as many who attended.

Chuckwagons for sure at Edson Rodeo

Edson has been to the rodeo since 1928, and this year there will be a rodeo for the people of the Edson area.

The rodeo will be in Edson on July 20 and 21.

The work parties of the rodeo have started work on the track and the rodeo area is alive with the excitement of the rodeo.

Citizens of Jasper will fight for their rights

With the formation of the Jasper Residents' Association, the citizens of Jasper are taking a stand for their rights. The association is a group of citizens who are concerned about the future of Jasper and its residents.

When Jasper decides to build a new road, the citizens of Jasper will fight for their rights. They will not allow the government to build a road that will destroy the beauty of Jasper and its residents.

One day, Jasper will be a city. It will be a city that is full of people who are proud of their city. It will be a city that is full of people who are proud of their city. It will be a city that is full of people who are proud of their city.

East end forces vote on Hinton school addition

As a result of a petition circulated in the east end of the Edson school division a vote on the urgently needed addition to the Crescent Valley school at Hinton has been forced.

Since classrooms are urgently needed this fall for the Hinton school, and the vote will delay their construction until the fall of 1966.

To accommodate the pupils at Hinton the division at Hinton is faced with continuing to use the rooms in two of the town's churches, splitting up the school and Hinton into classrooms or using living classes on a shift basis.

The demand for a pull by the division and let the board act as an extension of the four-year division that is still present at the end of last season. At that time Hinton district residents, parents of having some of their children taken to Edson and Hinton schools.

Hinton residents are building of the thought that the Hinton school provides the greatest reason for the school division should be placed in the position of not being able to have enough classrooms.

There is again a vote that the Hinton school will not be constructed by the province.

Elmer Walsh dies following car accident

Edson and district were shocked to have learned this morning of the death of Elmer Walsh. Mr. Walsh had been involved in a car accident at the intersection of 48th St and 5th Avenue on Thursday evening.

The accident occurred about 8:30 p.m. Thursday. At that time Mr. Walsh, traveling south on 48th Street, hit the back of the westbound truck driven by Mr. Mike Van der Horst.

Following emergency treatment in St. John's Hospital, Mr. Walsh was moved to St. Mary's Hospital where he underwent surgery for a fractured skull. He died at 7:05 a.m. Saturday.

Edson getting set for Rodeo Week

Edson residents are getting wound up for the big Rodeo Week which will conclude next Friday and Saturday, July 20 and 21 with the annual rodeo. The service chairman Jack Hook and secretary Lloyd Bossett are busy coordinating the many events.

Many persons are already "going Western" with cowboy hats and other attire. This will most certainly be the order of the day by next Monday morning as the state of local businesses show up "all dressed up".

Shirley Ann Martin will be adding to the atmosphere with his Tenderfoot Jail. A sentence in the tenderfoot jail will be the punishment for anyone who can catch who isn't in Western attire.

Two Hard Working Nombres

The first of the rodeo acts will be the first street dance on Wednesday evening, July 20. This will be held at the Edson Fairgrounds. The Edson Bakery Ladies Auxiliary and the Edson Rodeo Association will provide the music for the evening.

Admission on both days of the rodeo will start with a parade at 10 a.m. Indian performances are that there will be an outstanding array of bands entered in the parade as well as hard and fast action. Bands taking part include: Riders of the Wind, City of Edmonton Firemen's Band, Edson Town Band and the Shivers Octet Band.

Afternoon performances each day will include professional rodeo events, starting at 1:30 p.m. Besides the rodeo events, other afternoon features will be the famous rodeo queen, and the 1964 Shivers Shivers.

The evening performance, both nights, will include fast races, chuck wagon races, trick riders, bucking and art, fireworks, each evening will conclude with a Western style dance.

As evening music will provide entertainment of music and numerous bands, for those who love of rodeo events. There will also be a bucking contest and a trick riding contest.

The rodeo will have been the weatherman couldn't find the 1965 annual rodeo. A weather man will add to the fun of music and rodeo events. There will also be a bucking contest and a trick riding contest.

There is more to the rodeo than just the rodeo events. There are many other events, including a bucking contest and a trick riding contest.

TRIPLE TOWN WEEKEND WELCOME

West from
Edmonton

From
Banff

For anyone from Edmonton, or the Banff end of the "Circle Tour," the three major towns along the Alberta portion of the Yellowhead Highway are providing an eventful weekend of considerable variety Friday, July 30 to August 2.

Jasper has its "Frontier Days" and Edson has its Annual Rodeo, while Hinton, in between, holds its unique Antique Car Derby.

Edson's events are scheduled for Friday and Saturday, Hinton's for Saturday and Sunday with Jasper's going through from Saturday to Monday.

Monday, August 2, co-incides with the civic holiday in Edmonton so that city folk can take in part of each town's activities.

The programs have evolved this way and now more and more visitors are being welcomed each year as the word spreads that there is something to do on the Yellowhead this particular weekend.

MAKING GOOD — That's what the sourdough pancakes are these two sizzling chefs are brewing up. Jack Scrymgeour, the man with the finger, will likely be on hand again, and though Sam Smith, with a bigger and

better heard than he had last year, will be sure to be on hand to see that everyone has all he can eat. That's at the Moose Lodge Sourdough Pancake Breakfast right next to the swimming pool this Sunday morning.

THIS IS AN OLDER — a call of the first annual Antique Car Derby from Edmonton to Hinton, and one that keeps coming back as word of them

Jack McMan was the driver.

Antique Car Derby to be the 'biggest yet'

HINTON
A bigger than ever Antique Car Derby is planned for this year with up to 100 cars competing as well as the many features of the past years.
To start with, there are over 70 entries expected in the car derby coming from as far away as Winnipeg, Peace River and Calgary. These colorful beauties of other years get the honor share of the attention, as they come in and take when they line up for the judges and for public inspection.

Every feature is again sparkling in the event and three days is more than for with 100 cars competing. The event will be held on the weekend of July 31st and August 1st and 2nd. The event will be held on the weekend of July 31st and August 1st and 2nd. The event will be held on the weekend of July 31st and August 1st and 2nd.

Welcome from Rodeo '65 Chief

With the approach of our 8th Annual Rodeo, it gives me great pleasure to extend a hearty welcome to all our visitors from near and far. Rodeo is so much fun and we hope that you will join with us and enjoy your visit here. We will endeavor to give you the best show possible.

Kicking off our parade events is what we refer to as "Big Western Week" Monday through Saturday. From this time up we have plans to again erect our "Famous Jail". The jail will be maintained by one of our strongest rodeo supporters, Walter "Slim" Martin. Slim will again be wearing short jail sentences for those who have Mr. Al Marr as Slim's sidekick.

Wednesday night will see a Western group we have engaged from North Battleford, Sask. Known as "Sons of Johnnie" put on a street show. This will be combined with a real Western Street Show. Thursday, Friday and Saturday night will see this same group performing in the Legion Hall.

Our Rodeo opens a lot further with the crowning of the Rodeo Queen. This year the crowning will take place at the warm-up supper on Thursday night. Every year we have Rodeo Queen contestants. However, I believe that this year we have a real combination of beauty and ability. All of these Rodeo contestants are very capable of looking pretty and riding a horse.

Our show really starts in earnest on Friday morning, July 28th at 10:00 a.m. with the first of two grand parades. This year's Parade Chairman Don Butler heads a real assortment of floats and entries headed up who should stretch for a mile.

The show at the grounds starts each day at 1:00 p.m. It will be highlighted this year in the crowning of the world famous "clink" wagon race during the evening performance.

We know that you will enjoy yourselves thoroughly at Western Alberta's truly Wild Western Rodeo '65!

Glorious weather favors Edson 8th Annual Rodeo

For the first time in a number of years Edison's rodeo weekend was blessed with hot sunny weather. There wasn't a drop of rain to be felt the whole time. In fact the last time it rained was Wednesday night when the crossing street down was a mess.

There were less parade entries this year than last, but most of the floats entered deserved a big 'E for Effort'. Edman's Town Band took part in the rodeo parade for the first time and did an admirable job. Something must be done about uniforms for the band. Although their music was on a par with the visiting Semmon there lack of uniforms made them look a bit like country cousins.

The City of Edmonton Firemen's Band took part in the Elson parade for the first time and made a big impression. However, the gay music of the Soothers was missed by many.

Although there was a room

afternoon performance, but
the audience was almost

Is this a GOOD ADVERTISEMENT?

Is this a Good Advertisement? If your advertising could be printed in a special kind of invisible ink that became visible only between 5:00 and 5:01 Thursday and then disappeared, the chances are you would not think such an ad was worth much. You'd only reach a small fraction of the total newspaper's audience, those who happened to be reading the newspaper Thursday afternoon at precisely the time your ad appeared, and who in fact happened to be turned to the page your ad was on at the precise moment.

And yet this is what happens to advertising in

media other than newspapers. A survey showed that 75 per cent of all shoppers check the newspaper ads before making their main shopping trip.

Newspaper messages are available at the convenience of the customer. He doesn't have to be at a certain place at a particular time of day or night to hear or see the message.

Perhaps equally important, he looks at newspaper advertising because he wants to. It is never an unwanted interruption.

Edson's residential area being extended

People wanting to keep up with the growth of the town just about have to drive around the streets of Edson. Last year the growth of the town has extended further east and north. Those that drive in the edge of the town a few years ago are now surrounded by other new and modern stand homes, mostly with landscaping already complete.

A new regular area is presently in various stages of development. This lies east of the main town district and north of 8th Avenue. It is running as far east as the Delcor property. Sewers are being laid in the Crescent adjoining 8th Avenue. The streets and back alleys have already been cut through and graded up to some extent. The area will open up 37 new lots for private residences.

The extension of 8th Avenue from 1st to 15th Avenue will be completed by the end of the year. The extension of 15th Avenue from 1st to 15th Avenue will be completed by the end of the year. The extension of 15th Avenue from 1st to 15th Avenue will be completed by the end of the year.

Interest mounting for weekend Agricultural Fair

From the interest being shown by farm families and town residents the annual Fall Fair and Bazaar, which is being held in the Legion Hall rather than in the Mariva Motor building as it was last year, is expected to be a success.

The show will open to the public at 1:30 p.m. Friday. It is hoped that the judges will have been busy choosing the winners in the various classes and arranging the entries. All entries must be at the hall by 10:00 a.m. Exhibitors and prize money will be awarded in all classes.

Young skunk makes an affectionate household pet

Many people are contented with a pet dog or cat. In a few cases, a pet bird or a pet fish. But in the case of a young skunk, the affectionate household pet is a new one. The Edson Leader's Editor, John W. Edson, has a young skunk named "Sally" who is a real affectionate household pet.

School Vote results

890 for 291 against

When the unofficial count on the Morse Elementary conducted by the Edison School Division was made Tuesday evening in the School Division office at Edison, the tally was an overwhelming approval. The Edison School Division made a decision to accept the plan in the east end of the Division against the construction of a nine classroom addition to the Treadwell Valley School, District 1.

S day for kids

lighter than school work for the students on the Edison School Division on Wednesday September 1st at 9:00 a.m.

Many youngsters represent the ones in the smaller grades are actually spending the day they go back to school. The summer has been long and they are glad to get back into a routine.

Many mothers will be happy to get back to a routine too although they may dread the thought of the cash outlay that is a part of outfitting their students and providing them with the necessary equipment to return to studies.

Voters turned out to approve the borrowing of \$480,000 for construction of the addition, 890 to 391.

With the official count on Wednesday, August 21, the bonds must be held for 30 days to allow any claims to be protested. Application can then be made to the Local Authorities Board for approval to apply for the \$480,000 debt advance. Following this, the School Division Board need wait for the approval of the Local Authorities Board before then calling for tenders and begin construction.

A breakdown of the results of the polls follows. These are unofficial until August 25 when the official results will be made at the School Division office.

FIRST SECTION Edson, Alberta, Thursday September 2 1963 Vol 12, No. 25

THIS HUGE STEEL VESSEL IS TO BE RAISED INTO PLACE THIS WEEK AT THE CONSTRUCTION SITE OF THE GAS PLANT FOUR MILES WEST OF EDSON. A UNIQUE PROBLEM FOR THE ERECTORS — IT WAS ALSO A TIGHT SQUEEZE IN TRANSPORTATION FOR THE CNR. IT HAD TO BE BROUGHT THROUGH THE MOUNTAINS IN DAYLIGHT HOURS ONLY. IT WEIGHED 220 TONS IN OVER 200 FEET LONG AND 11 FEET 10 INCHES WIDE. ITS SIDES ARE 4 INCHES THICK TO RESIST THE PRESSURE OF THE CORROSIVE GAS WHICH WILL BE PASSING THROUGH IT LATER THIS FALL.

Chief Macdonald endorses school safety patrols

This Department will cooperate in the fullest to get school safety patrols underway. Police Chief Macdonald asked the Board to do this week.

Chief Macdonald, who has supervised the safety patrols in the past, said that the Board should be given the go-ahead to start the program. He said that the Board should be given the go-ahead to start the program.

H & N sale draws crowds

A large crowd gathered for the sale of the H & N store, which was held at the Edson Community Centre. The sale was a success and drew a large crowd.

Council names Bill Cosh to fire chief position

The Edson Fire Council has named Bill Cosh as the new fire chief. Cosh has been in the fire service for many years and has a wealth of experience.

Cosh will be responsible for the day-to-day operations of the fire department. He will also be responsible for the training of the firefighters.

Cosh will be taking over the duties of the former fire chief, who has retired. Cosh will be working closely with the council to ensure the smooth operation of the fire department.

Cosh will be the first fire chief to be named by the council. This is a new development for the fire department.

Coming Event time again

The Edson community is looking forward to the annual fair, which will be held in the town square. The fair will feature a variety of attractions, including games, rides, and food.

The fair will be a great opportunity for the community to come together and enjoy a day of fun and games. It will also be a chance to support the local businesses.

The fair will be held on the weekend of September 7 and 8. It will be a great event for the whole community.

Information re Sleeping Sickness in Horses

Information re Sleeping Sickness in Horses. The disease is caused by a parasite which is transmitted by a blood-sucking insect, the tsetse fly. The fly is found in the tropics and sub-tropics, and is a common pest of horses in these areas. The disease is characterized by a fever, weakness, and a reluctance to move. It is a serious condition and can be fatal if not treated. The only way to prevent the disease is to avoid areas where the fly is found. If a horse is suspected of having the disease, it should be isolated and treated by a veterinarian.

Mr. and Mrs. J. J. Neufeld, 40 and 42, are the proud parents of a beautiful baby girl, born on Sept. 8 at the St. Mary's Hospital in St. Paul. The baby, named Mary, weighs 7 pounds, 10 ounces and is 19 inches long. She has dark hair and blue eyes. The Neufelds are expecting to move to their new home in St. Paul in a few days. They are both employed in the St. Paul area. Norman is a salesman and Edna is a homemaker. They have been married for 15 years. They have two other children, a son and a daughter, both of whom are in college. The family is very close-knit and enjoys spending time together. They are looking forward to the arrival of their new baby and the challenges it will bring. They are grateful for the support of their friends and family during this time. The baby is expected to be a healthy and happy child. The Neufelds are excited about the future and the many adventures that lie ahead. They are committed to providing a loving and supportive environment for their children. They are also committed to being good role models and teaching their children the values of honesty, kindness, and hard work. They are confident that their children will grow up to be successful and happy individuals. They are grateful for the love and support of their community and are committed to giving back.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Joe Costello, a 55-year-old unmarried labourer who earns \$20 a week.

If Joe Costello works full time and no one else in his family is over 65, he will receive a Canada Pension Plan of \$51.74 a month. If he is married, his wife will also receive a Canada Pension Plan of \$51.74 a month.

If Joe Costello works part time, he will receive a Canada Pension Plan of \$25.87 a month. If he is married, his wife will also receive a Canada Pension Plan of \$25.87 a month.

Months of low or no earnings do not affect the amount of the pension.

If Joe wishes to continue working between 65 and 70 and earns higher wages than previously he can improve his pension. For example, if he works until age 69 and earns \$1,000 a month instead of \$500, his pension will be \$51.74 a month instead of \$25.87.

If Joe becomes disabled after 65, he will receive a disability pension of \$65.82 a month until he gets both his retirement and Old Age Security pensions at age 65.

All benefits under the Plan will maintain their value. The social benefits payable will gradually be higher than if Joe had not worked. This is because the Plan is financed by contributions from workers and employers.

What will the Plan cost you? If you have not contributed, you will pay a premium of \$5.00 a week. If you have contributed, you will pay a premium of \$2.50 a week. Your employer will pay the same amount.

The contribution is one of a series which includes some of the important benefits of the Canada Pension Plan in individual circumstances.

Issued by authority of the Minister of National Health and Welfare, Canada.

The Honourable Lady LaMarsh

New hunting regulations

HUNTERS
Hunting a deer this year in Alberta could be a very successful and profitable work, but it will be a hard one for some hunters.

This is due to many changes in hunting regulations made for the first time this year. Hunters should be very careful about interpreting current regulations and the changes in them.

Attend holiday conference

Several members, David P. and Mr. Fisher, have been elected to the 1958-59 holiday conference at the University of Edmonton. The main discussions were held on personal morals and family life.

Group meetings and discussions kept the young people busy over the weekend. The main discussions were held by the Leadership of Education on personal morals and family life.

Although the A.P.A. in Edmonton had gradually died out in the past, efforts are being made to reorganize into a strong group. Children Young People who are interested in group work, information on the subject should contact Dr. J. L. G. G. G.

The Voice of Edson Constituency

FIRST SECTION, Edson, Alberta, Thursday, September 23, 1965 Vol. 12, No. 38

In A SPECIAL ASSEMBLY last Tuesday in the St. Hugh School, Miss Lynda Dwyer (centre) was presented with two scholarships. Also present, president of the St. John's Hospital Auxiliary presented her with a \$100 scholarship, while Lloyd Bostert, president of the Edson Lions Club pre-

sented her with a cheque for \$25 as an honor student in biology. The Lions had two more honors scholarships presented at the regular awards assembly on Friday. Linda left Wednesday afternoon to begin training in an Edmonton hospital.

High School Awards presented to Edson Pupils

Before a special assembly of teachers and pupils on Friday last, Miss Lynda Dwyer, a senior biology student, was presented with two scholarships. Also present, president of the St. John's Hospital Auxiliary presented her with a \$100 scholarship, while Lloyd Bostert, president of the Edson Lions Club pre-

sented her with a cheque for \$25 as an honor student in biology. The Lions had two more honors scholarships presented at the regular awards assembly on Friday. Linda left Wednesday afternoon to begin training in an Edmonton hospital.

Chamber meets this Thursday

The regular monthly dinner-dance of the Edson Chamber of Commerce will be held at the Edson Hotel on Thursday, September 23, at 6:30 p.m. The theme of the evening will be "The Chamber of Commerce is for you."

The girls' grade XI prize of \$50.00 in English for their term at Victoria, was presented to her with a cheque for \$25 as an honor student in biology. The Lions had two more honors scholarships presented at the regular awards assembly on Friday. Linda left Wednesday afternoon to begin training in an Edmonton hospital.

Four to contest two Council seats

As of three o'clock Thursday afternoon four candidates had been signed on behalf of four Edson councillors for the two Council seats coming vacant this year.

The seats held by councilmen Scott and Bostert will be contested by William S. Bulls, R. J. V. Dart Kuspled, and two other candidates. Mr. Bulls is a well-known businessman and has been active in community affairs and especially in promoting sports activities. He was a member of the former council and is running for re-election.

Edson youth killed in oil field accident

An Edson youth, 20-year-old Alan Thompson, died early last Friday, September 17th, in an oil field accident. Mr. Thompson was working in the field when he was struck by a falling object. He was taken to the hospital but died later in the evening.

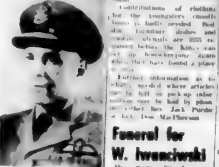

THESE STUDENTS were Grade 12 winners of local trophies during the 1964-65 school term. Awarded trophies to them during a special assembly in the High school last Friday afternoon. Seated: (front row) Horace von Hacht, Rosalie Pinski, Michael Pinski, Kenneth Richardson. Standing: (back row) Ralph Wadley, representing the Edson Lions Club, and M. D. Meade.

Fire leaves Edson family destitute

The Edson family, who lost their home in a fire last night, are now destitute. The family, consisting of Mr. and Mrs. Edson and their four children, are now living in a temporary shelter. The fire, which started in the kitchen, destroyed the home and all the family's possessions. The family is now seeking help from the community to get back on their feet.

Going to Africa

Word has just been received that General George Patton, who was killed in action during World War II, is being buried in Africa. The burial will take place in a remote location, and the ceremony will be a significant event for the military community.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Hugustie Samson, a 22-year-old married woman who earns \$36.50 a week.

Hugustie and her husband who is earning \$4.20 a week, hope that Hugustie will work for a few years before family needs require her attention full time.

Assuming that Hugustie does not, her contribution to the Plan will benefit her in several ways. For example, if she works only for a few years, at age 65 she will receive a small retirement pension of \$6.40 a month in addition to her \$7.50 a month Old Age Security.

Through her husband's contribution to the Plan, should he die when they have three

young children, Hugustie would receive a widow's pension of \$37.91 a month plus \$25 a month for each child, a total of \$122.91 a month. She would also receive a lump sum payment of \$500.

At age 65, based upon both her own and her husband's contributions she would receive a pension of \$57.44 a month plus \$3.50 a month Old Age Security, a total of \$60.94.

If she decided to supplement her income at any time by returning to work, she could still receive the widow's and orphan's benefits, could voluntarily increase her retirement pension, and could also ensure her entitlement to a disability pension if she became disabled.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living cost after they become payable.

What will the Plan cost you?

If you are employed and, like Hugustie, have earnings of \$2,500 or less annually over the year, you will pay at the rate of 4 per cent. Your employer will pay the same amount.

This advertisement is one of a series which is later, one of the important benefits of the Canada Pension Plan.

Issued by authority of the Minister of National Health and Welfare, Canada.

The Honorable Lady E. Martin

Liberal candidate sets out election platform

Federal Liberal candidate W. B. "Bud" Brunelle has participated in a public conference in Edson with Prime Minister J. D. Pearson and other political leaders. The Liberal party and the Conservative party are both out of office and are fighting the election. In this election, the newspaper prints the following conclusions of the Liberal platform of 1964.

On Tuesday, September 22, 1964, the Liberal Party of Canada held a public conference in Edson, Alberta. The Liberal Party of Canada has set out its platform for the 1964 election. The platform is based on the following principles: (1) The Liberal Party of Canada is committed to the principles of democracy, freedom, and justice for all. (2) The Liberal Party of Canada is committed to the principles of economic development and growth. (3) The Liberal Party of Canada is committed to the principles of social justice and equality.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Robert Martin, a 35-year-old skilled tradesman who earns \$100 a week (\$5,200 a year).

If Robert works full time until age 65 he can look forward to a monthly retirement income of \$104.17 from the Canada Pension Plan and \$75 from Old Age Security. A total of \$179.17 a month. When his wife, who is two years younger than Robert, reaches her Old Age Security pension, the Martin's monthly income will rise to \$224.17.

If Robert becomes disabled at age 65 he can look forward to a monthly retirement income of \$104.17 from the Canada Pension Plan and \$75 from Old Age Security. A total of \$179.17 a month. When his wife, who is two years younger than Robert, reaches her Old Age Security pension, the Martin's monthly income will rise to \$224.17.

All benefits under the Plan will maintain their value. The cost of living index, which is used to adjust benefits, is based on the Consumer Price Index. This means that if the cost of living goes up, so will the value of the benefits.

This advertisement is one of a series which relate some of the important features of the Canada Pension Plan to individual circumstances.

What will the Plan cost you? If you, like Robert, are employed and have earnings of \$5,200 a year, you will contribute to the Plan at the rate of 5.45 per cent of your earnings. If you are self-employed, you will contribute 10.9 per cent of your net earnings.

Contributions to the Plan are deducted from your pay. If you are self-employed, you will have to make contributions yourself. The total contribution for 1964 is \$282.44 for a person earning \$5,200 a year.

A man you lean on in a lonely hour

(your funeral director)

What makes it lonely is not just the unknown, the sense of loss, the grief. It is also the loneliness, the strangeness, the wondering what to do.

Your own need then... is someone to lean on. Someone who can replace confusion with calm, doubts with certainty, questions with answers. Your own need then... is someone who knows what to do... and goes about doing it quietly, gently, sympathetically, with efficiency and dignity.

This is what your funeral director has been trained by education, apprenticeship and experience to be... and to do. This is his mission. To be an island of calm. To counsel. To help. To reassure.

His experience and understanding make it easy for you to make the decisions you

PROTECT YOUR HOME

Only FID can prevent the senseless and costly loss of life and property caused each year by fire. Last year the death toll rose almost 70% in Alberta 71 people, 30 of them children lost their lives in the flames of residential fires. Damage to homes amounted to almost 3 million dollars. For prevention is YOUR responsibility. Check for fire hazards now, during Fire Prevention Week, and always be on guard!

Mayerthorpe meeting nominates Dr. Horner

An enthusiastic meeting attended by Hugh Horner to carry the Conservative colors in the upcoming election for a fourth time in the Legion Hall at Mayerthorpe Wednesday evening September 22nd.

Member of Parliament for Jasper-Edson until the dissolution in September, Dr. Horner was the unanimous nominee of the meeting. The meeting was chaired by President Cedric Casson of Outway. Mr. Jan Scott of Edson put Dr. Horner's name before the meeting, seconded by R. Hobbie of Camrose.

In his acceptance speech the newly nominated candidate told his friends that this is the election that Mr. Peterson had called. He said that the Prime Minister has not been in contact for some of the things that have happened in the last few years.

Dealing with the price of wheat, Dr. Horner claimed that the Liberal government had not done the job that the farmers had hoped for in an agreement with the C.N. which former Minister of Agriculture, Hon. J. G. Hamilton had turned thumbs down on.

Attaching the subsidies to the U.S. car manufacturers, the Liberal cabinet if the industry had received the price of wheat in Canada. The Conservative movement continued the effect of the 31 per cent sales tax on the petroleum, agricultural and industrial economy of what he called this resource country.

Dr. Horner stated to re-peat it, said Dr. Horner, as it impacts the economy of the country.

We know that you don't want to sit in a room and talk about the economy of the country. We are going to get some work in rural areas. He added he went on to say that talks on consolidation should be aimed at making a more central government.

On motion Dr. Horner held his audience that there would be no crash program to educate, not only doctors, but medical institutions of all kinds. "We are thousands short in Alberta alone," he said.

Bramming his listeners about Jasper Park in the west end of the riding, Dr. Horner said that the people of the park want to be involved in ordinary Canadian life. The only trouble in the park and liberal days he said was that there were no roads and by political po-trology.

In concluding his acceptance speech Dr. Horner said that Canada is still a great country. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

DR. HUGH HORNER

I don't see why people who are in the house should not have a common-sense, hard-headed, practical approach. I see that the more this country you put you into one track for the more they can control you, he said.

The agricultural policy should be to give all the farmers to give all the work and the Conservative candidate. We don't want a farmer to be a farmer. We don't want a farmer to be a farmer.

He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen. He said that he was not a politician, but a citizen.

If a liquid is in a container that is moving, the liquid will move with the container. If the container is moving at a constant speed, the liquid will move at the same speed. If the container is accelerating, the liquid will move in the opposite direction of the acceleration. This is because the liquid is trying to maintain its original state of motion. For example, if a car is accelerating forward, the liquid in a glass will slosh backward. If the car is decelerating, the liquid will slosh forward. If the car is turning, the liquid will slosh in the opposite direction of the turn.

State Police at the residence of the defendant, who was arrested and taken to the police station. The defendant was released on a \$10,000 bond. The State Police are now searching for the defendant's car, which was last seen on the day of the shooting. The car is a dark-colored sedan, and the State Police are offering a reward of \$1,000 for information leading to its recovery.

Flammable liquids a fire hazard problem

By A. S. Bridges, Fire Commissioner

Flammable liquids are a fire hazard problem in many homes and businesses. They are often stored in containers that are not properly labeled or sealed. This can lead to accidents and fires. It is important to be aware of the hazards of flammable liquids and to take proper precautions to prevent accidents.

Hugh Horner, MP Reports

On September 22nd, I accepted re-nomination for the Progressive Conservative Party in Jasper-Edson.

I did not believe it, but I am now a Member of Parliament.

- ★ A REASONABLE National Parks Policy, a Royal Commission on tax cuts, and a recommendation.
- ★ IMMEDIATE removal of the 11% Sales Tax on building materials and production machinery.
- ★ STRONG central government and a united Canada.
- ★ RESTORATION of integrity to government.
- ★ EXEMPTION on income tax for municipal home-owner taxes.
- ★ INCREASE of Old Age Pensions to \$100 monthly.

I ask your support November 18th, so that these matters may become accomplished facts.

WHO SAYS EDSON'S AIR STRIP isn't good enough for a big plane to land on. The DC-3, as well as a biplane, landed on the local strip last Saturday and for awhile drew a steady stream of people going out to have a look at it after they had seen it come

in for a landing. The plane, the Flying Jenny, was set up last summer for an oil company's officials and had come in from Regina. It made the local planes look like mosquitoes. This is the second DC-3 ever to have landed on the Edson strip.

Candidate forums lined up for district points

The Edson October 15th election from the audience will see the first of six public forums in the district. The first of these will be held in Edson, Alberta, on Thursday, October 17th, at 7:30 p.m. The following forums will be held in the following order: Lacombe, Alberta, on Friday, October 18th; Ponoka, Alberta, on Saturday, October 19th; and finally, on Sunday, October 20th, in the town of Edson, Alberta. Kinsmen to hold annual Apple Day

The Kinsmen of Edson will hold their annual Apple Day on Saturday, October 19th, at 10 a.m. The event will be held at the Edson Community Centre and will feature a variety of activities, including a picnic, a raffle, and a presentation of awards to the members of the Kinsmen who have been successful in their efforts to raise funds for the community. The Kinsmen of Edson are a group of men who are dedicated to the betterment of their community and who are committed to the principles of service, leadership, and fellowship.

THE COUNCIL MEETING on Tuesday, October 15th was a good one in a way, as it marked the last meeting at which Mr. Walter Kertman would attend as a Council member. Mr. Kertman was commended by fellow Councilor Percy Wells for his faithful and devoted service through four terms in office and said that the very evident accomplishments of the Works Department (Mr. Kertman's Dept.) would immortalize his service. In responding Mr. Kertman expressed his satisfaction and pleasure at having

Ratepayers demand plebiscite on Arena

The ratepayers of the town of Edson have demanded a plebiscite on the proposed arena. The ratepayers have expressed their concern over the proposed arena and have requested that the town council hold a plebiscite to determine the will of the people. The ratepayers have stated that they are concerned about the cost of the arena and the impact it will have on the town's finances. They have also expressed concern about the location of the arena and the potential for increased traffic and noise. The town council has agreed to hold a plebiscite on the proposed arena and will hold the vote on November 12th.

THE SPIRIT OF THE THIRTIES

It is a curious thing that the spirit of the thirties is still with us. It is a spirit of idealism, of hope, of faith. It is a spirit that believes in the power of the individual, in the power of the community. It is a spirit that believes in the power of the human mind, in the power of the human will. It is a spirit that believes in the power of the human spirit.

THE MONKES WERE SPLIT Saturday at the first annual "Hinton High" cross country race in Hinton. In the boys' division, two Edson runners finished first and second above right. They were Tom Erickson and Ken Hicks. Erickson was first. Two Hinton

girls placed first and second in the girls' category. The winner, Joan Girard, above left, shows all the strain and terrible work that goes with a two and a half mile course as she finishes.

52 compete in inter-School distance race

Take first district schools, 52 boys and 52 girls, took part in the first annual "Hinton High" cross country race in Hinton on Saturday, October 27. The race was held on a two and one-half mile course through the woods and fields of the Hinton area.

Tom Erickson, of Edson, finished first in the boys' race, and Ken Hicks, also of Edson, finished second. They were followed by two Hinton boys, and then by two more Edson boys.

Joan Girard, of Hinton, finished first in the girls' race, and she was followed by two Hinton girls, and then by two more Edson girls.

Awards were given to the first and second place boys and girls, and to the boys and girls who ran the most miles. The boys' race was won by Tom Erickson, and the girls' race was won by Joan Girard.

The race was held on a two and one-half mile course through the woods and fields of the Hinton area.

Plan now to get all these jobs done this winter. Things like having the lawnmower fixed, and the screens cleaned, having the car tuned up and the oil changed, having the furnace and the electrical appliances repaired, having the house painted, and so on. It's time to plan now for the winter ahead.

Everybody benefits when winter work is increased.

PLACE A BOOK IN THE HANDS OF YOUR CHILD
Five year old children benefit immensely from books. It is a book that gives them a wealth of knowledge and a sense of adventure. It is a book that gives them a sense of wonder and a sense of discovery. It is a book that gives them a sense of joy and a sense of peace. It is a book that gives them a sense of life and a sense of meaning.

The book "Fandy and the Lion" is a story of a young boy named Fandy who goes on an adventure with a lion. It is a story of courage and bravery, and it is a story of friendship and loyalty. It is a story that will inspire children to be brave and to be kind.

It is time to plan now for the winter ahead. It is time to get all the jobs done that need to be done. It is time to make sure that everything is in good working order for the winter months.

The same is true of OLI Party Governments that can't seem to make up their minds in which direction to steer this country. And we all know the results of that kind of leadership during recent years! Don't you think it would be sort of nice to know where they're headed? To be able to say "We're Canadian!" And to know what that means? To know we're masters of our own fate. That

we made the rules, because we know what we want.
Isn't it time we pointed this country in a definite direction?
And put our muscle behind it.
And started planning ahead, instead of forever just muddling through?
Did you know that the New Democratic Party is the only party in the country that believes wholeheartedly in *planning ahead*?

In Soremejing events *before* they arise, and preparing for them in advance?
A party that *stakes its reputation* on the idea that you've got to *plan for the future* if you want it to be bright and happy?
Doesn't it make sense to you?
Funny how no one else ever seems to think about it.

New Councillors get the feel of the future

The annual business of installing the new town officers setting up committees, etc. occupied the first portion of Council's business during the councillors' meeting on Monday (19-October 1963). New Councillors Kauler and Blomke were welcomed by Mayor M. D. Moode and the majority confirmed that they had such filed their oaths of office in accord with the provisions of the Town and Village Act. The meeting gave them an idea of the way they would be spending their spare time for the next few years. A vote of thanks was tendered to retiring Councilor W. J. R. Kauler and Jan. Kauler for their service to the town during the past year. The meeting was held in the town hall. The meeting was held in the town hall. The meeting was held in the town hall.

Local youngsters conduct local UNICEF canvass

The successful collection of over \$120 for the United Nations Children's Fund last Saturday was the result of a fund-raising drive conducted by the Edison Orphans. The youngsters, who were accompanied by their mothers, went door-to-door in the Edison area, collecting contributions for the UNICEF fund. The drive was a success, with many families contributing to the cause. The Edison Orphans are proud of their achievement and will continue to work for the benefit of the world's children.

WE WILL REMEMBER THEM

Those who died in the First World War, the Second World War, the Korean War, the Vietnam War, and the many other wars in which our country has been engaged, will be remembered on this day. It is a solemn duty to remember those who have given their lives for their country and for the freedom of the world.

The strains of the First World War are still remembered. The strains of the Second World War are still remembered. The strains of the Korean War are still remembered. The strains of the Vietnam War are still remembered.

Remembrance Day is a day when we should certainly be reminded of the many young men who gave their lives for their country. It is a day when we should be reminded of the many young men who gave their lives for the freedom of the world.

NATIONAL PARKS

The role of the National Parks in the conservation of the natural resources of our country is of increasing importance. It is a duty to protect these resources for the benefit of future generations.

There are other aspects to the situation here, which while they are generally overlooked deserve some consideration.

Innocent children, but they are being treated with increasing frequency. The animals are being protected and pampered to such a degree that they have lost their natural fear of man and are now on an equal footing with him.

The parks are fast becoming autonomous little kingdoms in their own right. A fee is required for entry and the protection of parks is a costly business. It is a duty to protect these resources for the benefit of future generations.

The fundamental question for which the parks were established is: what use the preservation of wildlife and their habitat from the onslaught of a fast-moving civilization.

Without wishing to minimize the value of the parks, it is a duty to protect these resources for the benefit of future generations.

Letter to Editor

Dear Mr. Editor,
I have just thought about Remembrance Day. I have just thought about the soldiers who gave their lives for their country and for the freedom of the world. It is a duty to remember those who have given their lives for their country and for the freedom of the world.

Remembrance Day is a day when we should certainly be reminded of the many young men who gave their lives for their country. It is a day when we should be reminded of the many young men who gave their lives for the freedom of the world.

WINNERS OF THE 1965-66 Edson Junior High School scholarship contest. From left: Mary Ann, Cynthia, and Terese Franklin. Connie holds her own and the school trophy that was presented to her as the student with the highest standing in the Edson School Division and Junior, making her runner-up to Governor General Award winner, Susan Paschke of Edmonton.

A SMALL TROPHY AND LAPEL PIN were presented to Rick Butler, the outstanding subscription salesman taking part in the Jubilee Jr. High School Curtis subscription plan. Rick was the first to sell more than \$100 worth of subscriptions in the three years the Jubilee students have taken part in the plan. Making the presentation is Miss Frances Casaroli, Student Council advisor, who told the Awards Night audience how the school and the students gain from taking part in the Curtis plan.

The Edson Leader

The Voice of Edson Constituency

FIRST EDITION Edson, Alberta, Thursday, November 18, 1960 Vol. 12, No. 46

and WESTERN WEEKLY

HONORING THE FALLEN of two World Wars, Legion Auxiliary president, Mrs. Edith Carlson lays a wreath on the Cenotaph following the Remembrance Day Service in the Legion Hall. A group of Brownies stand attentively.

The Edson Orioles baseball club enjoyed a very successful week-end in the city, combining a banquet and social event with the team's first home game on Friday night. The club's first home game was a victory over the local team, with a score of 10-0. The game was held at the Edson Legion Hall, which was packed with fans. The club's success was due to the excellent pitching of the team's ace pitcher, who threw a complete game. The club's manager, who was also the team's captain, praised the team's performance and looked forward to a successful season.

Edson congregations to hold joint service

The Anglican and United Church congregations will be joined together for the first time in a joint service for the late Mrs. Mary Ann, who passed away on November 10 at the age of 85. The service will be held at the Anglican church on Friday morning at 10 o'clock. The service will be conducted by the Rev. Mr. Smith, who will read the burial service. The service will be a simple one, with no music. The church is open for visitors from 9 o'clock to 11 o'clock.

Three weeks needed for arena tender call

Approximately three weeks will be needed for the tendering of the new arena, according to the building of the new arena. The tendering process will begin on Friday, November 18. The arena is expected to be completed by the end of the year. The arena will be a large, modern building with a seating capacity of 10,000. It will be used for a variety of sports and events. The arena will be a major landmark in the city and will provide a new venue for the community.

The special meeting was called following the 213 per cent favorable vote for the borrowing of \$271,000 for the project in the plebiscite held on Friday, November 18th. The arena will be a major landmark in the city and will provide a new venue for the community. The arena will be a large, modern building with a seating capacity of 10,000. It will be used for a variety of sports and events. The arena will be a major landmark in the city and will provide a new venue for the community.

300 error in list of polls

The Leader this week offers a sincere apology to the Liberal candidate, W. B. Brundage, for the error which occurred on the front page in last week's issue regarding the election returns. Brundage is the Edson candidate for the 1961 election. The error was a result of a clerical mistake. The Leader is sorry for the error and hopes that Brundage will understand the situation. The Leader is committed to providing accurate information to its readers.

Edson Orioles hold season wind-up banquet

A GATHERING OF CHAMPIONS is this group who attended the Edson Orioles Baseball Club banquet and social evening last Friday night. Left to right they are: Gary Knudsen, Orioles last year, Eddie Leitch, 1960 most valuable player, Roger Yandell, 1960 most valuable player, Mrs. Tina Young, captain of the Edson ladies softball team who won the Gus Stiller Trophy as champions of the July 1st tournament, Mrs. Viki Anker, who accepted the 1960 most valuable player trophy on behalf of her son, Dave.

The Edson Orioles baseball club held a season wind-up banquet and social evening last Friday night. The event was a success, with many guests in attendance. The club's manager, who was also the team's captain, praised the team's performance and looked forward to a successful season. The club's success was due to the excellent pitching of the team's ace pitcher, who threw a complete game. 37 million acres give Albertans room to grow

Over half the land area of Alberta is public land, protected and developed by the Department of Lands and Forests. Most of this public land has been set aside for forestry to protect the watershed, to create a sustainable yield of timber and to provide recreational facilities for future generations.

Land is also made available for private development through purchase, lease, and agricultural land sales, subdivision, leasing, grazing leases and special permits.

Alberta has all the requirements for becoming a world-class timber producer and 17 million acres of forest in which to carry out that growth in an orderly manner.

\$50

Edson Town Council made the motion at last meeting that a \$50 reward be offered for information leading to the arrest of the person or persons unlawfully removed several flags from the public buildings the night of November 11th and 12th.

Flags were removed from all buildings in town with the exception of the Post Office and the trial building. These included the school, the City Hall, the CNR station and the various places where around town who make a practice of displaying flags.

It is interesting to note that the same thing happened at Jasper on Halloween night.

There was no notice at the vandalism at the new flag, the Red Ensign at the Legion, the Canadian Nations flag and American Stars and Stripes included in the vicinages.

YOUR DOLLARS 'SNOWBALL'

When You Shop At Home

Just as a snowball grows bigger and bigger as you roll it along, the dollar you spend at home goes bigger and bigger in its impact on local business as it passes from hand to hand. It creates more local trade volume which in turn means greater prosperity, faster growth, more employment in your own community. Part of it, too, helps to pay the taxes and provide the contributions that maintain and improve your schools, streets, parks, playgrounds, churches, hospital and other vital services and facilities. Pile up benefits for your community and yourself by shopping at home.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN:

DIDSBURY GIRL HONORED FOR ENTERPRISE AND COURAGE

Fifteen year old Fay Johnson has had complete charge of her home since her mother died four years ago. Even since she was eleven, she has made a home for her father and brother and intends to keep on doing so. She has cheerfully taken over the shopping, cooking, baking and a multitude of other household chores.

Undaunted by this great responsibility, Fay has kept her two horses, she exercises, gardens and braves them for entry in various home shows.

In addition to all this, Fay is active in community affairs.

She is a member of the Didsbury Light Horse Association and Westcott H.C. Group, and in 1966 was chosen Queen of the Didsbury Little Britches Rodeo.

We congratulate Fay. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investment electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mrs. James Currie, Editor of the Didsbury Pioneer.

Broken cable causes eerie lighting effect

Algarney Power near from Edna to Hinton were affected last Friday evening when a heavy snow storm off and fell to the ground between the two townships in Hinton. The main line feeding the Valley 22,000 volts terminated near the gravel pit at Hinton causing a short in the system. Hinton residents were treated to an eerie fireworks display as the town cable would flash in the ground causing sparks to dance in the darkness. The short at faulted the cable and sparks which in turn caused the power to be shut down every which way. The power near Mr. B. was shut off daily at the time of the storming the trouble was fixed the electrical was on as Mr. Bull power.

YOUR DOLLARS 'SNOWBALL'

When You Shop At Home

Just as a snowball grows bigger and bigger as you roll it along, the dollar you spend at home goes bigger and bigger in its impact on local business as it passes from hand to hand. It creates more local trade volume which in turn means greater prosperity, faster growth, more employment in your own community. Part of it, too, helps to pay the taxes and provides the contributions that maintain and improve your schools, streets, parks, playgrounds, churches, hospital and other vital services and facilities. Pile up benefits for your community and yourself by shopping at home.

Improvement Districts add to Centennial Fund

Copies of letters from the Department of Municipal Affairs were read to the regular meeting of the Edson Council on Thursday, December 15, indicating that grants from Local Improvement Districts (LID) and 70 are to be waived to the Town's Centennial project. The idea came up during the initial planning for the recreational complex which Edson voters approved last month.

The Council acknowledged receipt of the information with thanks for the cooperation in making the district's Centennial project that much more worthy in combining with the Town's funds. The Council also addressed the issue of the Centennial project and the importance of the community's contribution.

YOUR DOLLARS 'SNOWBALL'

When You Shop At Home

Just as a snowball grows bigger and bigger as you roll it along, the dollar you spend at home goes bigger and bigger in its impact on local business as it passes from hand to hand. It creates more local trade volume which in turn means greater prosperity, faster growth, more employment in your own community. Part of it, too, helps to pay the taxes and provides the contributions that maintain and improve your schools, streets, parks, playgrounds, churches, hospital and other vital services and facilities. Pile up benefits for your community and yourself by shopping at home.

New Pastor for Grace Lutheran

The migration of Grace Lutheran Church from its old home to the new building at 1000 10th St. will be completed by the end of the year. The new building is a fine example of modern architecture and will provide a more comfortable and convenient place for worship.

The church is pleased to announce the appointment of Rev. Frank J. Smith as the new pastor. Rev. Smith has been serving the church for many years and is well-known to the congregation.

Rev. Smith will be holding his first service on Sunday, December 16th, at 10:00 a.m. in the new building. He will be assisted by Rev. J. H. Smith.

The church is also planning a Christmas Eve service on December 24th, at 7:00 p.m. in the new building. This service will be a special occasion for the congregation.

The church is grateful for the support and contributions of the congregation and the community. We look forward to a successful year ahead.

The church is also planning a Christmas Eve service on December 24th, at 7:00 p.m. in the new building. This service will be a special occasion for the congregation.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN: HAYNES BOYS' INITIATIVE HONORED

When their father entered a Calgary hospital several months ago, David and Duane Linklater proved themselves men to be proud of. They took over the duties of milking seven cows, and the care of other farm animals - and still kept up their studies.

Mrs. Linklater suffers from arthritis, and the boys had twenty hours of bread each week, made the family meals and helped her with other household duties. David is fifteen years old, and Duane is thirteen.

Their youngest sister Kathie cannot walk. The two boys carry her everywhere, changing positions and understanding.

The boys still find time for the East Lacombe 4-H Beef Club and are active in many sports.

We congratulate David and Duane Linklater. Our thanks to the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Tom Ford, Editor of the Lacombe Globe, and to David and Duane's mother, Mrs. J. Linklater of Cove.

Jubilee Junior Glee Club presenting Xmas cantata

The Jubilee Junior High School Glee Club, under the direction of Mr. J. H. Edwards, will present a Christmas cantata at the Edson High School on Friday night. The cantata will be a production of the club's own making and will be a most interesting and enjoyable performance.

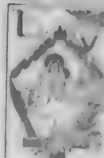

Edwards was making the presentation on behalf of the Edson Branch, Royal Canadian Legion, when he presented a cheque for \$100 from the Jubilee Junior High School Glee Club to the Edson Branch, Royal Canadian Legion.

Merry Christmas

The Time for Joy... The Time for Happiness... The Time for Love
Give Generously of Kindness and Friendship during This Holy Season

During Christmastide over nineteen hundred years ago, three Oriental kings followed a wondrous star to the little town of Bethlehem where they bestowed glorious gifts upon the tiny Christ Child. During this beautiful season, this year, let our star of love shine brightly, and bear the gifts of joy and friendship to family, friends and acquaintances both far and near.

CAPITOL REPORT

Alberta farmers annoyed

BY JOHN WARREN

The Farmers' Union of Alberta, representing the bulk of the province's farming community, has expressed its annoyance at the attitude of the government in connection with the proposed new wheat tariff. The union claims that the government is not taking into consideration the needs of the farmer in the proposed tariff schedule. It claims that the government is not taking into consideration the needs of the farmer in the proposed tariff schedule.
